"When I first started putting the book together, I had some scattered ideas as to how I would do this. With the help of my talented and skilful [sic] editor, and the advice of some friends, the 'movie' in my mind became more crystallised [sic] and clear. Some of the 'scenes,' written in the early 1970's '80s were never intended to form part of a whole. They stood alone, as a lecture here or an article there. It is my hope and belief that the book/story/' movie' holds together as one man's attempt to be honest with God as I understand Him or Her. I hasten to add that this is not your standard religious book. The words erection and resurrection, masturbation and Holy Mass all appear with equal authenticity, pain and celebration. It is no book for the pious or those seeking a quick fix. The God of the gaps' is not found here, or if he is, it is as no panacea for our eternal thirst for meaning."--From the preface.

During the time I was dealing with my mother and her reactions to Mikes apparent abuse of me no one ever knew I had been victimized again, several times. The boyfriends at the time of my aunt Camille and Kim had been told of my abuse and apparently thought it was a good idea to try also. A part of me blamed my aunts for telling my secrets. I never spoke to anyone of these secrets out of fear of loosing more family. I know youre probably reading this wondering why I didnt tell anyone, well if you read the rest of this book I would think you could understand. I didnt want to mess up anyone elses home or happiness. I mean these were my aunts, the very people who were helping me through it all at the time. I didnt think holding on to those secrets affected my life much but in the summer of 2010 I decided to release this burden. I told Camille of what her boyfriend had done to me crying through my entire confession. I begged her not to be mad at me and prayed this secret wouldnt affect our relationship; after all we have become really close over the years. Camille couldnt believe what I was saying although she wasnt in denial, she had lots of questions and she began to cry also. She wanted to know if any of her other boyfriends had tried anything with me or to me and I told her no. Telling her the role her boyfriend played was like lifting a forty pound weight off my shoulders. Until this day I have not yet told Kim of what her boyfriend had done. He is actually responsible for taking my virginity. I figure it took me more that twenty years to tell Camille and although I will tell Kim, itll just take me more time to do so.

It was the height of the depression and Emily Ridgeway was unsure how she would feed one more child. Yet, her prayer was strong: "Lord, may this baby be the answer to my prayer, that one of my eight children would serve You." Years later, the answer to that prayer seemed to fade away, as Billy stood in the juvenile court, facing a third and final offense before being sentenced. Emily clung to the promise of Jeremiah 29:11: "For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope." "Give him one more chance, your Honour." A police sergeant, led by God to intervene, stood up for Bill that day. He had no way of knowing the plans God had for him...traveling jungle paths in the Amazon, hiking up mountains and cobble stone streets in the high Andes and taking God's Word to the coastal villages in Ecuador, with the important message that "Jesus Saves!" As a young man, ready to serve wherever God led him, Bill chose his life verse: "No one engaged in warfare entangles himself with the affairs of this life, that he may please him who enlisted him as a soldier" (2 Tim. 2:4).

Life can be a roller coaster ride. It takes off slow, smooth, and easy. As time goes on, speed becomes a factor as you are sweeping around curves, gliding over hills and sashay through the loops. If you are not careful and wave your hands in the air, life will take you for a dip and suck the breath out of you. Many upcoming curves will short change you with a destination of failure and hopelessness and lead you to a loop of compromise, as you conveniently glide around the curves of indecisiveness. Some of us intentionally throw our hands in the air as we refuse to choose the right road, even though the choice was there. We followed our own agendas and fulfilled our own selfish desires. Through it all, our God patiently waits and continuously beckoned us to exit, as we continues to ride on mercy and ignore his love. He even planted his Son, Jesus, at the top of some of the loops with a detour sign flashing called GRACE. The unmerited favor of God, grace, ushers us to our rightful place, even after years of daring adventures. Grace offers us the opportunity to exit as the roller coaster of ups and downs as it comes to a temporary halt. As the emergency break is applied, grace is much more abounding. Dare to take this journey with us on the road of recovery with grace towards our purpose and destiny. Life is a journey with one loop at a time.
