The story that introduces CORA and ECHO in the RUNES series from Amazon bestselling author Ednah Walters. NEWS ALERT: Pure YA Read:: You asked and I listened. When readers e-mailed me that their under-sixteen daughters loved my series but the original Grimnirs was too racy for them, I cleaned it up, removed heavy makeout scenes and curse words, so here it is... Enjoy..Ednah Walters Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious

heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. The chemistry between them is mind-blowing. The connection defies logic. Even better, the souls leave her alone when he is around. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful, and cocky. He is also a soul reaper. A Grimnir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all. Answers. Love. A life.
