wicked coven she ruled over and the eternal love, Rhode, who sacrificed himself in the ritual to grant her deepest wish. But when Lenah draws her first natural breath in centuries at Wickham Boarding School in Lover's Bay, Massachusetts, she rediscovers a human life that bears little resemblance to the one she had known. As if suddenly waking up a teenager isn't hard enough, she has to dress herself appropriately, go to class, and be gawked at as the beautiful new girl, all while learning her new human senses and weaknesses -- and trying not to fall in love with Justin, the most popular guy in school. And right when she thinks she has the hang of it, the worst happens: Her old life collides violently with her new one, making Lenah realize how attached she's become to her humanity. How can she choose between protecting her new friends and honoring her past? "Infinite Days is a wonderfully sexy, dark novel full of lush prose. Rebecca Maizel is a marvel, writing more than just a story, she creates myth with every page." —Carrie Jones, author of New York Times bestselling series, NEED

Gorgeous, dangerous Rhode changed Lenah into a vampire. For hundreds of years, they lived a life of seduction, blood and destruction. Five centuries later, Rhode made Lenah human - and happy - again. The price was high: eternal separation of the two soulmates, with only Lenah remembering the intensity of their shared love. At first Lenah can just about cope with having Rhode nearby and him not recognising her. But when a wounded creature from their past threatens the new life that Lenah has struggled to build, she realises that only the ultimate love she and Rhode shared can conquer the creature's ultimate evil. Yet Lenah knows too that revealing their past could destroy not only their lives, but Rhode's very soul . . . The heart-racing sequel to Infinite Days and Stolen Night.

Poetry. "The imagery in Britt's poems connects itself to an idea or an emotion and is, therefore, deeper and more meaningful than embellishment or decoration. In this manner, a linguistic experience is born, one that is palpable to the five senses. No accent pieces needed-Britt does more than get close to the bone-he gets to the heart of the thing itself and makes it resonate with something deeper than exactitude. His images are painted as if vibrating, as if his letters were tuning forks. Britt's imagery, therefore, evokes a mood and meaning simultaneously"-Dr. Maura Gage, from her introduction.
