Indoor Saunas – While there are many ways to construct a sauna, our saunas are manufactured exclusively from solid lumber without the use of laminates or non-wood materials. Additionally, we build our saunas with western Canadian red cedar, the choicest of sauna wood due to the texture, color and aroma the lumber provides. Red cedar is an excellent insulator due to the porous nature of the ...

“ You can ’ t always get what you want ” —but you can. Much of what we hear about ourselves and the world... “ No pain, no gain ” ; “ It ’ s a dog-eat-dog world ” ; “ Either you got it or you don ’ t ” —isn ’ t true when we understand our nature and how to operate to reach our maximum potential. But how many of us understand our own design specs? Refrigerators come with instruction manuals—why not people? Here at last is the manual that should have come with you at birth. And it turns out that life is a lot easier than we ’ ve been taught. Living in alignment with your true nature—the path of least resistance—brings you all the joy, abundance and health your Manufacturer intended you to have! When a golfer has trouble with a swing, it ’ s not because she doesn ’ t deserve to play golf, or golf hates her, or she ’ ll never be any good at golf, or anything like that. It ’ s simply that her swing (behavior) is not yet in alignment with her biodynamics for that swing. With a little coaching, she can align with her body ’ s nature and the stroke becomes easy, even effortless. The same alignment to effortlessness can happen in every area of your life! Use the tools and techniques in this book to help you align with natural, physical, and spiritual laws for joy, purpose, and vitality while living your dreams.

Provides detailed, evidence-based reviews for 98 herbs and dietary supplements.

Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database.

Before the Internet became widely known as a global tool for terrorists, one perceptive U.S. citizen recognized its ominous potential. Armed with clear evidence of computer espionage, he began a highly personal quest to expose a hidden network of spies that threatened national security. But would the authorities back him up? Cliff Stoll's dramatic firsthand account is "a computer-age detective story, instantly fascinating [and] astonishingly gripping" (Smithsonian). Cliff Stoll was an astronomer turned systems manager at Lawrence Berkeley Lab when a 75-cent accounting error alerted him to the presence of an unauthorized user on his system. The hacker's code name was "Hunter"—a mysterious invader who managed to break into U.S. computer systems and steal sensitive military and security information. Stoll began a one-man hunt of his own: spying on the spy. It was a dangerous game of deception, broken codes, satellites, and missile bases—a one-man sting operation that finally gained the attention of the CIA . . . and ultimately trapped an international spy ring fueled by cash, cocaine, and the KGB.

Hot Exercise will arm you with the knowledge and motivation to access your inner warrior and strengthen your mind and body with more workout in less time. Hot Exercise is your guidebook to blaze a trail through the bold new infrared fitness frontier.

A 30-day program for reaching a new level of energy, clarity, and calm, based on a paradigm shifting idea: You have to change your body to change your mind and mood. Too often, conventional medicine treats the body as separate from the mind, ignoring physical issues like chronic illness and weight gain. Science shows that these issues are oftentimes intricately entwined with mood issues like depression, anxiety, stress, and persistent fatigue. In *State Change*, Dr. Berzin draws on cutting-edge research and her work with thousands of patients to tell the complete story of how our bodies drive our minds, mood, and energy levels. This builds on her work at her nationally renowned holistic health service Parsley Health, where Dr. Berzin and her team of over 100 highly trained medical providers focus on treating the whole patient, yielding extraordinary results for those dealing with gastrointestinal, hormone-related, autoimmune, and mental health conditions. This trailblazing book explores the new science of optimizing the body in ways that will help anyone attain a new baseline for energy, calm, and optimism. Dr. Berzin believes that treating common imbalances in the body is the only way to achieve what she calls a state change—a transformation to higher levels of mental focus, emotional stability, and flow. Leveraging Parsley ' s unique patient data and successful proprietary protocols, *State*

Change includes a 30-day program for resetting the body, mind, and mood. With easy-to-understand advice and detailed personalized assessments, State Change is the ultimate gateway to a positive mental state and peak physical health.

The Complete Spa Book for Massage Therapists is specifically for massage therapy students who want to succeed in the spa industry, whether as an employee or an owner of their own spa. It is the only book that includes extensive information about real-world working conditions in actual spas, with an enormous amount of feedback from working spa directors and owners regarding what they are looking for in employees. Beyond giving explanations and step-by-step instructions regarding a wide range of spa modalities, the book offers an in-depth look at topics that many other resources do not cover. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Centers for Disease Control and Prevention (CDC) established the Vessel Sanitation Program (VSP) in the 1970s as a cooperative activity with the cruise ship industry. The program assists the cruise ship industry in fulfilling its responsibility for developing and implementing comprehensive sanitation programs to minimize the risk for acute gastroenteritis. Every vessel that has a foreign itinerary and carries 13 or more passengers is subject to twice-yearly inspections and, when necessary, re-inspection.
