Inside the O'Briens is an outstanding novel, possibly my favorite of all 20 books I have read so far this year. It is written by Dr. Lisa Genova, author of Still Alice. Joe O'Brien is a 44 year-old Irish Catholic police officer living in Charlestown, MA, the oldest neighborhood in Boston.

*Inside the O'Briens by Lisa Genova - Goodreads*

In lots of ways Inside the O'Briens is like Still Alice, except that the illness is more physical than neurological (or should I say the symptoms are as Huntington's is a neurological disease). Like Alice, Joe was loosing a major part of himself, as a police officer his job was very physical where Alice's required her memory and intellect.
