Katie Bosman, a demonstration pilot and technical writer for Jabiru USA Sport Aircraft, said she can instantly recognize the Jabiru engine sound from the ground. “ The Jabiru 3300 [engine] has a deep, throaty growl that sounds almost Cirrus-like when it flies overhead. There is nothing else quite like it, ” she said.

Now as to the pressure problem - Last August I attended a Jabiru seminar, conducted by Pete Krotje in Tennessee. It was lead by Don Richter, the Australian developer of the Jabiru engines, who stayed over an extra week or two after Osh. We learned that oil pressure problems could be caused by - 1. Low oil content 2. Overheated oil / no cooler 3.

VAF Forums - Support Problem for Jabiru Engines

A “ cleaner ” engine installation results, which in turn facilitates maintenance and inspection of the engine and engine component. So the hard work of engine installation has largely been done for you by the Jabiru design team. RAMAIR ducts are available for tractor or pusher configurations. Special ducts are available for certain installations.

Jabiru Engine - Arion Aircraft, LLC

In November 2014 the Australian Civil Aviation Safety Authority proposed restricting all Jabiru-powered aircraft to day-visual flight rules only, without passengers or solo students and within gliding distance of a safe place to land due to the engine line's safety record. This was in response to 46 reports of engine failure in flight.

Jabiru 3300 - Wikipedia

Jabiru Aircraft has recently launched its "4th Generation", or "Gen 4", engine that sets about tackling one of the enemies of aero-engines – rust.

Jabiru ' s homegrown evolution - Australian Aviation

Jabiru Engines Jabiru engines have been flying for over two decades in certificated, experimental and light-sport aircraft all over the world. The early 65-80 hp models were designed specifically for the first Jabiru aircraft, the LSA 55/2K. With the success of the first four-cylinder 65-hp engine, it became an obvious choice for other aircraft ...
