Needless to say, Jean Rhys was not in that number. But then, as has happened serendipitously in my reading and writing life, I came upon her work in the mid-1980s. A married man with whom I was on the brink of having an affair gave me a parting gift of Jean Rhys: The Complete Novels. I shelved the big thick book without cracking it open.

Jean Rhys, Good Morning, Midnight To say that this book is about alcoholism is to discount all of the other things it is also about: poverty, depression, divorce, the death of a child. And yet the pall cast over the narrative is thickened absolutely by Rhys's ruminations, recurrent and insistent, on drinking throughout.

Tells the stories of a chorus girl, an unhappy love affair, a prostitute, a woman no longer able to love, and an English-West Indian marriage

"No one who reads Good Morning, Midnight will ever forget it." - New York Times

Beautiful and wealthy Antoinette Cosway's passionate love for an English aristocrat threatens to destroy her idyllic West Indian island existence and her very life

Is a woman's writing different from a man's? Many scholars -- and readers -- think so, even though here has been little examination of the way women's novels enact the theories that women theorists have posited. In Jean Rhys and the Novel as Women's Text, Nancy Harrison makes an important contribution to the exchange of ideas on the writing practice of women and to the scholarship on Jean Rhys. Harrison determines what the form of a well-made women's novel discloses about the conditions of women's communication and the literary production that emerges from them. Devoting the first part of her book to theory and general commentary on Rhys's approach to writing, she then offers perceptive readings of Voyage in the Dark, an early Rhys novel, and Wide Sargasso Sea, Rhys's masterpiece written twenty-seven years later. She shows how Rhys uses the terms of a man's discourse, then introduces a woman's (or several women's) discourse as a compelling counterpoint that, in time, becomes prominent and gives each novel its thematic impact. In presenting a continuing dialogue with the dominant language and at the same time making explicit the place of a woman's own language, Rhys gives us a paradigm for a new and basically moral text. The story of a woman on the edge caught in the stranglehold between her lover and his wife. When her husband is released from prison, the situation explodes.

The Caribbean Islands have long been an uneasy meeting place among indigenous peoples, white European colonists, and black slave populations. Tense oppositions in Caribbean culture/colonial vs. native, white vs. black, male conqueror vs. female subject/supply powerful themes and spark complex narrative experiments in the fiction of Dominica-born novelist Jean Rhys. In this pathfinding study, Mary Lou Emery focuses on Rhys's handling of these oppositions, using a Caribbean cultural perspective to replace the mainly European aesthetic, moral, and psychological standards that have served to misread and sometimes devalue Rhys's writing. Emery considers all five Rhys novels, beginning with Wide Sargasso Sea as the most explicitly Caribbean in its setting, in its participation in the culminating decades of a West Indian literary naissance, and most importantly, in its subversive transformation of European concepts of character. From a sociocultural perspective, she argues persuasively that the earlier novels/Voyage in the Dark, Quartet, After Leaving Mr. Mackenzie, and Good Morning, Midnight/should be read as emergent Caribbean fiction, written in tense dialogue with European modernism. Building on this thesis, she reveals how the apparent passivity, masochism, or silence of Rhys's female protagonists results from their doubly marginalized status as women and as subject peoples. Also, she explores how Rhys's women seek out alternative identities in dreamed of, magically realized, or chosen communities. These discoveries offer important insights on literary modernism, Caribbean fiction, and the formation of female identity.

"It is a book that does not invite comparisons. . . . Its excellence is individual, intrinsic; it measures itself against itself."--Saturday Review of Literature

Anna Morgan, a teenage girl performing in the chorus at theaters in small English towns, tries to find happiness with Walter Jeffries, who eventually abandons her

New to Penguin Classics, the remarkable, devastating collected stories by the author of Wide Sargasso Sea. Some of Jean Rhys's most powerful writing is to be found in this rich, dark collection of her collected stories. Her fictional world is haunted by her own, painful memories: of cheap hotels and drab Parisian cafés; of devastating love affairs; of her childhood in Dominica; of drifting through European cities, always on the periphery and always perilously close to the abyss. Rendered in extraordinarily vivid, honest prose, these stories show Rhys at the height of her literary powers and offer a fascinating counterpoint to her most famous novel, Wide Sargasso Sea. This volume includes all the stories from her three collections, The Left Bank (1927), Tigers Are Better-Looking (1968) and Sleep It Off, Lady (1976).
