Illustrations used for story-telling and mirth-making have enlivened Asian walls, scrolls, books, public and private places, and artifacts for millennia. Often playful and humorous, Asian pictorial stories lent conspicuous elements to contemporary comic art, particularly with their use of narrative nuance, humor, satire, and dialogue. Illustrating Asia is a fascinating book on a subject that is of wide and topical interest. All of the articles consider cartoon and/or comic art in the historical and social setting of seven South, Southeast, and East Asian countries: India,

She gets to play in her very own Manhattan apartment for the summer every which way. Her and her buxom naughty pal get it on with plenty of hot dudes and girls, including debauching an Asian girl, and using some unbelievably huge toys to stretch all openings to the limit!

The John Buscema Sketchbook spans the career of well-known Marvel Comics artist and art teacher, John Buscema. Hundreds of vintage, new and unpublished drawings are included. Also featured is an introduction by comic book creator, illustrator, filmmaker, and pop-culture historian Jim Steranko. The John Buscema Sketchbook is a valuable addition to the collection of comic book and Conan the Barbarian enthusiasts and is also of unique interest for aspiring artists. This deluxe, hardcover, limited edition of the John Buscema Sketchbook was hand-signed by the late Mr. Buscema and features a 14-page bonus portfolio, absent from other editions. Limited edition of 1000 copies.

Scotts extensive biography of John Dryden is essentially the first of eighteen volumes that were published as "The Works of John Dryden". There are many biographies like this on the market, but there is hardly any that offers such an in-depth and healthy knowledge about the author.

In his first book, *A Complete Guide to Technical Trading Tactics*, John Person introduced traders to the concept of integrating candlestick charting with pivot point analysis. Now, in *Candlestick and Pivot Point Trading Triggers*, he goes a step further and shows you how to devise your own setups and triggers—in the stock, forex, and futures markets—based on a moving average approach. Note: Website and other supplementary materials are not included as part of eBook file.

As there has yet to be any substantial scrutiny of the complex confluences a more sustained dialogue between disability studies and comics studies might suggest, *Disability in Comic Books and Graphic Narratives* aims through its broad range of approaches and focus points to explore this exciting subject in productive and

provocative ways.

A thorough trading guide from a professional trader The Complete Guide to Technical Trading Tactics can help the new individual investor understand the mechanics of the markets. Filled with in-depth insights and practical advice, this book details what it takes to trade and shows readers how they can broaden their horizons by investing in the futures and options markets. The Complete Guide to Technical Trading Tactics outlines a variety of proven methodologies—pivot points, candlesticks, and other top indicators—so readers may use those that work best for them as well as make their own trading decisions without a second thought. Author John Person also shares his insights on a variety of trading technologies that will allow readers to gain a competitive edge in the market. John L. Person (Palm Beach, FL) publishes The Bottom-Line Financial and Futures Newsletter, a weekly commodity publication that incorporates fundamental new developments as well as technical analysis using his trading system.

The New York Times bestseller from the author of *Watchmen* and *V for Vendetta* finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this “magnificent, sprawling cosmic epic” (*Guardian*) by Alan Moore—the genre-defying, “groundbreaking, hairy genius of our generation” (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternity loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermine a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake’s eternal holy city in “Moore’s apotheosis, a fourth-dimensional symphony” (*Entertainment Weekly*). This “brilliant . . . monumentally ambitious” tale from the gutter is “a massive literary achievement for our time—and maybe for all times simultaneously” (*Washington Post*).
