Kia Forte Engine Problems | CarComplaints.com

The APA found a significant problem of knocking in engines installed on Kia Forte 2010 to 2015 by Kia Canada. The solution to knocking problems often requires important repairs to the owner's vehicle. In many cases, it is even necessary to completely replace the engine block to keep the car functional. An APA member, Mr. Denis Gaudreau, owns a Kia Forte EX 2010 and has stopped using it due to the intense knocking problems affecting his car.
