The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today ' s world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post ' s Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what ' s really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it ' s a handshake, a hug, or a friend request, it ' s the underlying sincerity and good intentions behind any action that matter most.

The adored actress behind the character Nikki Newman of The Young and the Restless tells all in this scintillating memoir, divulging the insider details of her dramatic life and forty-year career. Melody Thomas Scott admits she is nothing like her The Young and the Restless role, which has seen it all in her forty-year tenure on America ' s highest-rated daytime serial. But the high drama, angst, and catastrophes aren ' t confined to her character ' s plotlines. In this captivating memoir, Melody reveals behind-the-scenes tales of her own riveting journey to becoming an icon. As Nikki Newman went from impoverished stripper to resourceful, vivacious heroine—with missteps as gripping as her triumphs—Melody became a household name, entralling audiences across the globe. But her road to stardom also had to be one to freedom marked by an escape fit for cinema. In Always Young and Restless, Melody tells of her troubled, untraditional upbringing for the first time. Readers will learn how she suffered at home with her hoarder grandmother, whose cruelty as her manager is shockingly extreme; abuse at the hands of industry men; the intensity of acting in feature films with Alfred Hitchcock and Clint Eastwood; and how she finally took control of her life and career, in a getaway move as daring as any on The Young and the Restless. And of course, Melody divulges forty years ' worth of juicy on-and-off-set details of what it ' s like to be one-half of the show ' s most successful supercouple, " Niktor, " plus her personal path to healing, love, and family. In witty, warm prose, meet the shining, persevering heart of an American icon—and prepare to be moved by a life story fit for a soap opera star.

The first and last word on the feature-packed new Windows 8 Windows 8 is an exciting new version of Microsoft's flagship operating system and it's packed with exciting new features. From the new Windows 82032s lock screen and the new Internet Explorer to a built-in PDF reader and new user interface, Windows 8 is not only a replacement for Windows 7 but a serious OS for today's tablet and touchscreen device users.
