"Princess Annama wants to find a prince, but she does NOT want to wait for a prince to choose her. She takes matters into her own hands and invites princes from all over to come meet her. She wants to find a prince who is kind, fun, and sensitive -- sensitive enough to feel a single chickpea laying under a tall stack of mattresses! When prince after prince disappoints her, Princess Annama wonders if she'll ever find the kind of prince she's looking for. But when a weary and wayward surfer dude washes up on the shore of her kingdom, she wonders if, just maybe, this unlikely prince is just the match for her. The Prince and the Pea is a charming spin on Hans Christian Andersen's classic tale, and shows that a person's value is more than just what you see on the outside"--

Humans are a recent event in the planet's history, but we've wasted little time in making our mark. The range of our achievements has created a rich and elaborate heritage that we have the unique ability to capture and record--meaning we can look back and learn from the road traveled. Timelines of History begins with the emergence of our earliest African ancestors and takes the reader through the history of cultures and nations around the world to arrive at the present day--the beginning of a new millennium. A dynamic, layered timeline zooms in and out of time, speeding up or slowing down to keep pace with the size and scope of events.

"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.
