Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

This homage to rock collecting, assembled by "rock artist" Linda Kranz, celebrates rocks in all their variety, shapes, and colors. Some even resemble pieces of modern art. Others offer a glimpse into the natural beauty that surrounds us. There are rocks that are rough to the touch, and others that are as smooth as glass. There are rocks inside rocks. You can even find rocks that are shaped like a heart. There are even rocks that cling to a magnet! This book will explain how to start a rock collection, and what you might do with them, such as identifying what kind of rocks they are or even painting on them or creating scenes with their shapes. The book also advises you where NOT to collect rocks, such as certain parks and natural areas. Regardless, this book will inspire the rock hound in all of us.

Linda on the rocks oder die Frau im K Hschrnk. In dieser Geschichte dreht sich alles um Markus und Linda und um einen K Hschrnk. Kaum zu glauben, Linda lebt sogar in diesem K Hschrnk. Und Markus ffnet viel h ufiger als eigentlich notwendig die K Hschrnk r, um Linda zu sehen und um mit ihr zu sprechen und um ihr nahe zu sein. K Hschr nke nimmt man in der Regel nur wahr, wenn etwas nicht stimmt. Zu hei , zu kalt, zu laut Ger che, Wasser, und was sonst noch so mit einem K Hschrnk alles schiefgehen kann. Man denkt auch ber den K Hschrnk in der Regel nicht besonders nach. Irgendwie ist der typische K Hschrnk ein langweiliges Ger t. Er ist einfach nur da und erf llt seine ihm zugewiesene Funktion, ohne Murren und Klagen, bis zu dem Tage, wo aus irgendeinem Grund ein neuer K Hschrnk in Haus muss. Danach geht alles so weiter wie vorher. Der K Hschrnk in dieser Geschichte mit seinem unkonventionellen und geradezu kostbaren Inhalt ist nat rlich ein ganz besonderer K Hschrnk. Um es kurz zu machen: Markus, der Besitzer des K Hschrnkes, ein frischgebackener Junggeselle, seit kurzem getrennt von seiner ehemaligen Freundin, ffnet nach einer umfangreichen Reinigungsprozedur

seinen K hlschrank, um diesen wieder mit dem allern tigsten f r den t glichen Bedarf zu bef llen. Das war so eine von den XXX-Reinigungsprozeduren, die man sich freiwillig nur im Abstand von mehreren Jahren zumuten m chte. Was er dann sieht, veranlasst ihn, fast in Ohnmacht zu fallen. Vor Schreck l sst er eine Flasche Champagner fallen, die auf den Boden f llt und in tausend St ck zerspringt. Im K hlschrank sitzt eine Frau, nicht irgendeine Frau, sondern Linda, eine sehr attraktives und klug aussehendes weibliches Wesen. Sie ist ganz cool und ganz ruhig und z gert nicht, Markus spontan Anweisungen zu geben, wie er das Chaos mit der zerbrochenen Flasche am besten beseitigen sollte. Von hier aus nehmen die Dinge ihren Lauf, die Markus Leben total auf den Kopf stellen werden. Es entwickelt sich eine dramatische Geschichte zwischen Linda und Markus, welche Markus zeitweilig in Hochstimmung versetzt, ihm Fl gel und Gl cksgef hle verleiht, aber auch h ufig genug tun sich Abgr nde von unvorstellbarem Ausma f r Markus auf, die ihn regelm ig an den Rand der Verzweiflung bringen. Noch mehr vorwegzunehmen w re nicht ratsam. Das m ssen sie selbst erleben, alle Details, alle Dialoge, alle Stimmungen und die Spannung, die durch nichts zu berieten ist. Und dann das Ende, nicht untypisch, aber v llig unerwartet. Panik und Entsetzen und Hoffnung!
