The first novel from friends and collaborators Tom Ellen and Lucy Ivison, *Lobsters* is a frank and very funny young adult romance, aimed firmly at older teens and young adults - there is sexual content and strong language throughout. Lobsters alternates between the points of view of Hannah and Sam, both believable

and realistic teenage characters. They have wonderfully distinct voices and I didn't for one moment get confused. That's because Tom Ellen wrote Sam's parts and Lucy Ivison wrote Hannah's, and it works like a charm.

Lobsters is a laugh to read but it must have been a bawl to write; I can only imagine Ellen and Ivision penning the alternating chapters (told from both Sam and Hannah ' s perspectives) whilst trying to one-up each other. Their prose is pitch perfect, managing to capture teenage gawkiness without straying into
