I am an Australian girl. I thought my life would be ordinary. It has unfolded in front of me more like the 'whoosh' as you drag your luggage through the circular revolving doors at the airport. All possibilities from there on are exciting, but you never quite know where you might land. Surprises of joy have carried me, nourished me, sustained me, given me courage. Other surprises have left me chastened and gasping, with a newly birthed compassion and empathy for those who have experienced similar. From Melbourne to Vancouver, Chicago to Beverly Farms, Salem to Providence to Fall River, Sydney to California, and back to Melbourne, life has brought to me, gifts of love. A solo drive across the USA post-9/11 is part of the warp and weft of my life, as I have begun again and again to learn the unforced rhythms of grace.

NATIONAL BOOK AWARD WINNER • A renowned historian traces the life of a single object handed down through three generations of Black women to craft an extraordinary testament to people who are left out of the archives. KIRKUS PRIZE FINALIST • LONGLISTED FOR THE PEN/JOHN KENNETH GALBRAITH AWARD • ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post, Slate, Vulture, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, Time, The Boston Globe, Smithsonian Magazine, Book Riot, Library Journal, Kirkus Reviews " Deeply layered and insightful ... [a] bold reflection on American history, African American resilience, and the human capacity for love and perseverance in the face of soul-crushing madness. " —The Washington Post " A history told with brilliance and tenderness and fearlessness. " —Jill Lepore, author of These Truths: A History of the United States In 1850s South Carolina, an enslaved woman named Rose faced a crisis. The imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag with a few precious items as a token of love and to try to ensure Ashley ' s survival. Soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley ' s granddaughter Ruth embroidered this family history on the bag in spare yet haunting language—including Rose ' s wish that " It be filled with my love always. " Ruth ' s sewn words, the reason we remember Ashley ' s sack today, evoke a sweeping family story of loss and of love passed down through generations. Now, in this illuminating, deeply moving book inspired by Rose ' s gift to Ashley, historian Tiya Miles carefully unearths these women ' s faint presence in archival records to follow the paths of their lives—and the lives of so many women like them—to write a singular and revelatory history of the experience of slavery, and the uncertain freedom afterward, in the United States. The search to uncover this history is part of the story itself. For where the historical record falls short of capturing Rose ' s, Ashley ' s, and Ruth ' s full lives, Miles turns to objects and to art as equally important sources, assembling a chorus of women ' s and families ' stories and critiquing the scant archives that for decades have overlooked so many. The contents of Ashley ' s sack—a tattered dress, handfuls of pecans, a braid of hair, " my Love always " —are eloquent evidence of the lives these women lived. As she follows Ashley ' s journey, Miles metaphorically unpacks the bag, deepening its emotional resonance and exploring the meanings and significance of everything it contained. All That She Carried is a poignant story of resilience and of love passed down through generations of women against steep odds. It honors the creativity and fierce resourcefulness of people who preserved family ties even when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today.
