They have a cute aspect of the chapters falling in love over letters. Both tales are interesting and fun to read. Although I do wish that they were a little longer. At times it felt rushed and I wish that it had not been. The editing was well done. This is currently priced at \$1.99 on Amazon, and free to read with Kindle Unlimited.

Get the first four books in the breathtakingly fast-paced, both hard-boiled and heart-breaking Lori Anderson series in one GREAT-VALUE box set. Single mum and part-time Florida bounty-hunter Lori Anderson is no super-hero, but she's skilled, smart and fiercely determined ... and she'll stop at nothing when her family is threatened. An electric, action-packed, blisteringly authentic series of thrillers by one of the most exciting names in crime fiction. &'A real cracker' Mark Billingham &'My kind of book' Lee Child &'Like Midnight Run, but much darker ... really, really good' Ian Rankin Deep Down Dead (Book One) Lori Anderson manages to keep her career as a part-time bounty-hunter separate from her role as single mother to nine-year-old Dakota, who suffers from leukaemia. But when the hospital bills start to rack up, she has no choice but to take her daughter along on a job that will make her a fast buck. And that's when things start to go wrong. The heart-wrenching, explosive first instalment in the nail-biting, bestselling Lori Anderson series. Deep Blue Trouble (Book Two) With her lover, JT, behind bars and heading for death row, single-mother Florida bounty-hunter Lori Anderson takes on an off-the-books job that could threaten everything... Breathlessly paced and bursting with high-voltage action and edge-of-your-seat jeopardy, Deep Blue Trouble is the unmissable next instalment of the Lori Anderson series, featuring one of the most memorable and fearless female characters in crime fiction. Deep Dirty Truth (Book Three) Single-mother Florida bounty-hunter Lori Anderson returns in another nail-biting, high-voltage read. When Lori is kidnapped, and her family threatened, she has 48 hours to save them ... or lose everything. In this race, only the winner gets out alive. The breathtaking, breakneck third instalment in the addictive Lori Anderson series. Deep Dark Night (Book Four) Fearless but vulnerable Florida bounty-hunter Lori Anderson travels to Chicago to trap the head of a notorious crime family, in a high-stakes, nail-biting mission that sees her trapped in one of the city's tallest buildings during a blackout... The fourth, breathtaking instalment in the nerve-shattering Lori Anderson series. Praise for the Lori Anderson series Shortlisted for: **The Kathy Reichs Award for Fearless Female Character** **The Cat Amongst the Pigeons Award for Most Exceptional Debut** **FINALIST IN THE INTERNATIONAL THRILLER WRITERS AWARDS FOR BEST FIRST NOVEL** &'Fast-paced, engaging and hugely entertaining' Simon Toyne &'Deft and assured' Chris Whitaker &'Brilliant and pacy' Steve Cavanagh &'A hell of a thriller' Mason Cross &'If you love romantic suspense, you'll love this ride' Alexandra Sokoloff &'Suspense, action, romance, danger and a plot that will keep you reading into the wee small hours' Lisa Gray &'One of my favourite debut novels for a long, long time' Luca Veste &'A gritty debut that will appeal to Sue Grafton fans' Caroline Green &'Crazy good ... full-tilt action and a brilliant cast of characters' Yrsa Sigurdardóttir &'The pace moves at breakneck speed ... simply one of the best debut novels I have ever read' Angela Marsons &'This is romping entertainment that moves faster than a bullet' Sunday Express &'Lively' Sunday Times

From the beginning, both Robert Kirkman's comics and AMC's series of the Walking Dead have brought controversy in their presentations of race, gender and sexuality. Critics and fans have contended that the show's identity politics have veered toward the decidedly conservative, offering up traditional understandings of masculinity, femininity, heterosexuality, racial hierarchy and white supremacy. This collection of new essays explores the complicated nature of relationships among the story's survivors. In the end, characters demonstrate often-surprising shifts that consistently comment on identity politics. Whether agreeing or disagreeing with critics, these essays offer a rich view of how gender, race, class and sexuality intersect in complex new ways in the TV series and comics.

He's wounded by war. She's scarred by rejection. Can a shared quest for redemption heal their hearts for a second chance at love? Even though he's out of the combat zone, Jaxon Cutter can't shake his memories of war. And when he encounters a down-on-his-luck veteran living on the streets, his sense of duty towards a comrade-in-arms comes rushing back. Refusing to leave a soldier behind, he vows to help his new friend pull together the pieces of his broken past and reconcile with his estranged daughter. Still wounded from her father's abandonment, Mia Kent doesn't know if she can find it in her heart to forgive. But after she receives his remorseful letter, she's finally ready to listen to his side of the story. Before they can reunite, a brutal criminal conspiracy rips them apart and unites her with the charming soldier who stood by her father's side. Thrown together by tragedy, Jaxon and Mia grow closer as they plunge into a dark world of violence. Can they catch the culprits and find love or will their hearts push past the breaking point? Cutthroat is the first novel in the gripping Sutton Capital Intrigue romantic suspense series. If you like damaged characters, second-chance love stories, and gritty criminal underworlds, then you'll love Lori Ryan's powerful page-turner.

#1 NEW YORK TIMES BESTSELLER - A Reese Witherspoon x Hello Sunshine Book Club Pick 'Get ready to be swept up in a whirlwind romance. It absolutely charmed me.'--Reese Witherspoon 'Josie Silver writes with a warmth so palpable her characters sneak their way into your heart and stay for a long time.'--Jill Santopolo, New York Times bestselling author of The Light We Lost Two people. Ten chances. One unforgettable love story. Laurie is pretty sure love at first sight doesn't exist anywhere but the movies. But then, through a misted-up bus window one snowy December day, she sees a man who she knows instantly is the one. Their eyes meet, there's a moment of pure magic...and then her bus drives away. Certain they're fated to find each other again, Laurie spends a year scanning every bus stop and cafe in London for him. But she doesn't find him, not when it matters anyway. Instead they 'reunite' at a Christmas party, when her best friend Sarah giddily introduces her new boyfriend to Laurie. It's Jack, the man from the bus. It would be. What follows for Laurie, Sarah and Jack is ten years of friendship, heartbreak, missed opportunities, roads not taken, and destinies reconsidered. One Day in December is a joyous, heartwarming and immensely moving love story to escape into and a reminder that fate takes inexplicable turns along the route to happiness.

DIVSingle-mother Florida bounty-hunter Lori Anderson returns in another nail-biting, high-voltage read. When Lori is kidnapped, and her family threatened, she has 48 hours to save them ... or lose everything... 'A real cracker' Mark Billingham 'My kind of book' Lee Child 'Like Midnight Run, but much darker - really, really good' Ian Rankin ----- A price on her head. A secret worth dying for. 48 hours to expose the truth. Single-mother bounty-hunter Lori Anderson finally has her family back together, but her new-found happiness is shattered when she's snatched by the Miami Mob - and they want her dead. Rather than a bullet, they offer her a job: find the Mob's 'numbers man' who's in protective custody after being forced to turn federal witness against them. If Lori succeeds, they'll wipe the slate clean and the price on her head - and those of her family - will be removed. If she fails, they die. With North due in court in 48 hours, Lori sets off across Florida, racing against the clock to find him and save her family. Only in this race the prize is more deadly - and the secret she shares with JT more dangerous - than she ever could have imagined. In this race only the winner gets out alive. ----- 'Lori thinks with viper-like speed, speaks with strength and acts from her gut. Steph Broadribb has constructed a thoroughly believable world full of substantial yet flawed characters. I quite simply love this series. I leap in with total faith and just let myself go. Deep Dirty Truth is a thrilling, assertive and energetic read' LoveReading 'Sharp, thrilling and one hell of a ride. This series just gets better and better!' Chris Whitaker 'Brilliant and pacy' Steve Cavanagh 'Perfect for fans of Lee Child and Janet Evanovich' Alex Cean 'Broadribb's writing is fresh and vivid, crackling with life - an impressive thriller, the kind of book that comfortably sits alongside seasoned pros' Crime Match 'Fresh, fast and zinging with energy' Sunday Mirror 'Romping entertainment that moves faster than a bullet' Sunday Express 'Stylish with an original take on the lone wolf/bounty hunter theme. This is a novel alive with tension and intriguing twists - There's a good deal of wit at the expense of the complacent, anachronistic, loud mouthed quick-fisted mobsters. Just a whole hell of a lot of fun' New Books Magazine 'This is every bit as lively an outing for Broadribb's heroine as its predecessor, and the pace is satisfyingly unrelenting' Barry Forshaw's Book of the Month, CrimeTime 'Fast-faced, page-turning thriller - It is so refreshing to read a thriller with a female ce

Engaging with the work of Freud, Heidegger, Wittgenstein, and Derrida, this book reconceptualises the language divide between humans and animals within the context of animal ethics.

This novella introduces you to the heroines of the first series of the Sunset Lake Club novels, three mature women, Ellen, Betty, and Lori. The novella is not yet a love story. It is a preface to a series of stories about love and the lives of women near and over fifty years of age. Will everything go so smoothly in their lives or is it still possible for them to age around fifty - love, adventure, and life surprises? The Sunset Lake Club series of novels will show us that so much is possible in the second half of our lives. We will discover some secrets of these women. We will see how women create and maintain friendships. We will follow love stories with such tropes as enemies-to-lovers, second chances at love, opposites attract, friends-to-lovers and more. And of course, we hope to see a happy ending to these stories. Sunset Lake Club, sweet later in life, contemporary romance series Stories of women who, at a mature age, are searching for their happiness. 1. ONE LOVE STORY. TWO MARRIAGES. THREE VERSIONS OF THE TRUTH. An obsessive, addictive love story for fans of Lisa Jewell and The Wife Upstairs, from the beloved author of Tell Me Lies. Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips-she's smart, beautiful, and from a well-off family-she's also battled crippling OCD ever since her mother's death when she was eleven, and her romantic relationships have suffered as a result. But now Burke-handsome, older, and more emotionally mature than any man she's met before-says he wants her. Forever. Except, Burke isn't who he claims to be. And interspersed letters to his therapist reveal the truth: he's happily married, and using Skye for his own, deceptive ends. In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy, and make a better life for herself in New York City. But can her adolescent love stay firmly in her past-or will he find his way into her future? On a collision course she doesn't see coming, Skye throws herself into wedding planning, as Burke's scheme grows ever more twisted. But of course, even the best laid plans can go astray. And just when you think you know where this story is going, you'll discover that there's more than one way to spin the truth.

Daisy Bacon, the opinionated, autocratic and complex editor of Love Story Magazine from 1928 to 1947, chose the stories that would be read by hundreds of thousands of readers each week. The first weekly periodical devoted to romance fiction and the biggest-selling pulp fiction magazine in the early days of the Great Depression, Love Story sparked a wave of imitators that dominated newstands for more than twenty years. Disparaged as a "love pulp," the magazine actually championed the "modern girl," bringing its heroines out of the shadows of Victorian poverty and into the 20th century. With Love Story's success, Bacon became a national spokesperson, declaring that the modern woman could have it all-in love, in marriage and in the business world. Yet Bacon herself struggled to achieve that ideal, especially in her own romantic life, built around a long-term affair with a married man. Drawing on exclusive access to her personal papers, this first-ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships.

Does life have meaning? What is flourishing? How do we attain the good life? Philosophers, and many others of us, have explored these questions for centuries. As Eva Feder Kittay points out, however, there is a flaw in the essential premise of these questions: they seem oblivious to the very nature of the ways in which humans live, omitting a world of co-dependency, and of the fact that we live in and through our bodies, whether they are fully abled or disabled. Our dependent, vulnerable, messy, changeable, and embodied experience colors everything about our lives both on the surface and when it comes to deeper concepts, but we tend to leave aside the body for the mind when it comes to philosophical matters. Disability offers a powerful challenge to long-held philosophical views about the nature of the good life, what provides meaning in our lives, and the centrality of reason, as well as questions of justice, dignity, and personhood. These concepts need not be distant and idealized; the answers are right before us, in the way humans interact with one another, care for one another, and need one another-whether they possess full mental capacities or have cognitive limitations. We need to revise our concepts of things like dignity and personhood in light of this important correction, Kittay argues. This is the first of two books in which Kittay will grapple with just how we need to revisit core philosophical ideas in light of disabled people's experience and way of being in the world. Kittay, an award-winning philosopher who is also the mother to a multiply-disabled daughter, interweaves the personal voice with the philosophical as a critical method of philosophical investigation. Here, she addresses why cognitive disability can reorient us to what truly matters, and questions the centrality of normalcy as part of a good life. With profound sensitivity and insight, Kittay examines other difficult topics: How can we look at the ethical questions regarding prenatal testing in light of a new appreciation of the personhood of disabled people? What do new possibilities in genetic testing imply for understanding disability, the family, and bioethics? How can we reconsider the importance of care, and how does it work best? In the process of pursuing these questions, Kittay articulates an ethic of care, which is the ethical theory most useful for claiming full rights for disabled people and providing the opportunities for everyone to live joyful and fulfilling lives. She applies the lessons of care to the controversial alteration of severely cognitively disabled children known as the Ashley Treatment, whereby a child's growth is halted with extensive estrogen treatment and related bodily interventions are justified. This book both imparts lessons that advocate on behalf of those with significant disabilities, and constructs a moral theory grounded on our ability to give, receive, and share care and love. Above all, it aims to adjust social attitudes and misconceptions about life with disability.
