Five Pentateuchal texts (Lev 24:10-23; Num 9:6-14; Num 15:32-36; Num 27:1-11; Num 36:1-12) offer unique visions of the elaboration of law in Israel's formative past. In response to individual legal cases, Yahweh enacts impersonal and general statutes reminiscent of biblical and ancient Near Eastern law collections. From the perspective of comparative law, Dylan R. Johnson proposes a new understanding of these texts as biblical rescripts: a legislative technique that enabled sovereigns to enact general laws on the basis of particular legal cases. Typological parallels drawn from cuneiform and Roman law illustrate the complex ideology informing the content and the form of these five cases. The author explores how latent conceptions of law, justice, and legislative sovereignty shaped these texts, and how the Priestly vision of law interacted with and transformed earlier legal traditions.

The memorandum discusses the supply, production, consumption, and applications of the refractory metals, columbium, tantalum, molybdenum, tungsten, and rhenium. Lists of manufacturers of mill products of these metals are included. (Author).

By using a series of studies of contemporary mainstream Hollywood movies - "Blue Velvet, Wall Street, Crimes and Misdemeanors, When Harry Met Sally, Sex Lies and Videotape, Do the Right Thing "- Norman Denzin explores the tension between ideas of the postmodern, and traditional ways of analyzing society. The discussion moves between two forms of text: social theory and cinematic representations of contemporary life. Denzin analyzes the ideas of society embedded in poststructuralism, postmodernism, feminism, cultural studies and Marxism through the ideas of key theorists like Baudrillard, Barthes,

Habermas, Jameson, Bourdieu and Derrida. He relates these to the problematic of the postmodern self as exposed in cinema centering on the decisive performance of race, gender and class.

Sammy, a 14-year-old fugitive, accidentally discovers he has the powers of a Psion. ... Plucked off the streets, he is thrust into the rigorously-disciplined environment of Psion Beta headquarters. As a new Beta, Sammy must hone his newfound abilities using holographic fighting simulations, stealth training missions, and complex war games. His fellow trainees are other kids competing to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

Keep the home fires burning with this red-hot collection of holiday shooters! Add some zip to your next party with a variety of alcoholic shots. Shots are a great way to get everyone in the mood! This fun book includes recipes for flaming shots, novelty shots, hot shots for cold winter nights, punches for festive frolics, and more!

The men of the Bastion Club proved their bravery secretly fighting for their country. Now their leader faces that most dangerous mission of all: finding a bride. As the mysterious leader of the Bastion Club known as "Dalziel," Royce Varisey, tenth Duke of Wolverstone, served his country for decades, facing dangers untold. But as the holder of one of England's most august noble titles, he must now take on that gravest duty of all: marriage. Yet the young ladies the grand dames would have him consider are predictably boring. Far more tempting is his castle's willful and determinedly aloof chatelaine, Minerva Chesterton. Beneath her serene façade lies a woman of smoldering sensuality, one who will fill his days with comfort and his nights with sheer pleasure. Determined to claim her, he embarks on a seduction to prove his mastery over every inch of her body . . . and every piece of her heart.

When Ami saves an immortal protector from a vicious vampire attack, she finds herself attracted to him, but Marcus, while admiring her bravery, does not want to take her on as a partner.

We want to live loving, joyful, anxiety-free lives. Yet how can we live in grace when we're so busy battling our old patterns of behavior? Jerry Bridges explores the nine aspects of the "fruit of the Spirit" described in Galatians 5:22-23: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. These qualities of character can truly mark our lives if we devote ourselves to a twofold pursuit: God-centeredness and God-likeness. Jerry shows us how to practice the fruit in daily life. When *The Fruitful Life* first released, Jerry said, "It was the book I had wanted to write that included everything I forgot and/or learned since *The Pursuit of Holiness*."

The bestselling, comprehensive reference on Photoshop, fully updated to CS5. Photoshop is the gold standard for image-editing programs and is used by professional photographers, graphic designers, and Web designers as well as hobbyists. More than 300,000 copies of this comprehensive reference have been sold in previous editions; this edition is fully updated to cover Photoshop CS5's newest features and includes a 16-page full-color insert. The Heart of Princess Osra is part of Anthony Hope's trilogy of novels set in the fictional country of Ruritania and which spawned the genre of Ruritanian romance. This collection of linked short stories is a prequel: it was written immediately after the success of *The Prisoner of Zenda*, but is set in the 1730s, well over a century before the events of *Zenda* and its sequel, *Rupert of Hentzau*. The stories deal with the love life of Princess Osra, younger sister of Rudolf III, the shared ancestor of Rudolf Rassendyll, the English gentleman who acts as political decoy in *The Prisoner of Zenda*, and Rudolph V of the House of Elphberg, the absolute monarch of that Germanic kingdom.
