A world of fun, excitement, exploration and satisfaction awaits the owner of an iconic BMW E30 3 Series cars - and this book is your ticket to that wonderful world. Some of the most popular forms of motorsport are examined, along with explanations of how to take part and what equipment you need.

An in-depth look at one of the world's greatest scooter marques, including detailed information on the main Italian-built models, the Lambretta Concessionaires machines and British dealer specials.

Here is a fact and picture-packed book dedicated solely to the Giulia GT in all its forms including the fabulous lightweight GTA racer. Now an updated, large format third edition which includes over 100 new images and which is limited to 1500 copies.

This book gives enthusiasts of the single overhead camshaft Honda Four a step-by-step guide to a full restoration. Whether it be the small but luxurious CB350/4 right through to the ground breaking CB750/4. This guide covers dismantling the motorcycle and its components, restoring and sourcing parts, paint spraying, decals and polishing. The chapters cover, Engine, frame, forks, fuel, exhaust, seat, brakes, tyres, electrics, up to the rebuild and on to safe setup and general maintenance and finally onto riding safely and storage.

Nigel Bennett's unique autobiography describes his life and career, from growing-up influenced by car design, to his education and the building of his 750 specials. He describes his work as Firestone

Development Manager, recounting many tales of the outstanding designers and drivers of the period. Detailing his work in Formula 1, as a Team Lotus engineer, and then as Team Ensign designer, he also covers his Indycar designs at Theodore, Lola Cars and Penske Cars. Life after his retirement, his involvement in boat design and with modern F1 teams, are also recounted.

The 356 was the first Porsche model. The coupes and spyders were a great success throughout the world and continued to be so throughout the model's life. The story of the Porsche 356, and the racing and rallying cars that sprang from it, is detailed in this text. Dimensions: 250 x 207

Automakers are as prone to turn out clunkers as politicians are to lie. Their cars may be ugly, misconceived, badly built, diabolical to drive, ridiculously thirsty, or just plain unreliable. So which were the worst of the past 20 years?

Completed at home by an enthusiastic DIY mechanic who has great experience rebuilding bikes, this book covers the complete restoration of a Triumph Trident T150V and a Triumph T160. Each and every aspect of the dismantling, refurbishment and reassembly of these classic bikes is covered in great detail, accompanied by a host of clear colour photos.

In this book, seasoned motorcycle restorer Ricky Burns takes you through each of the stages of real-life restorations. Aimed at enthusiasts of all abilities, from the total beginner to those with experience already, the reader is shown each stage and process in step-by-step detail, along with the techniques, tricks and tips used by experts. From choosing a project, setting up a workshop, and preparing a motorcycle, to sourcing parts, dismantling, restoring and renovating, this book is the perfect guide for the classic motorcycle restorer.

This book reveals the full history of the first generation Mercedes-Benz SLK, covering in detail the German, US, UK, Australian and Japanese markets. The perfect book to grace a Mercedes-Benz enthusiasts' library shelf, it's the definitive record of the model illustrated with stunning photographs.
