I always bought Garmin over TomTom
but having bought this NUVI 40 in
Canada iGarmin Nuvi 205 in the Uk
and it was the same price give or take
but my uk satnav told me about speed
changes , speed cameras and red light
cameras, the Canada satnav only has
redlight cameras , i found this
dangerous as the road signs in North
America are useless, too small and not
reflective like in europe.
