Part 139 of CASR prescribes the requirements for aerodromes used in air transport operations. Subpart 139.H specifies the requirements for the provision of aerodrome and fire fighting services (ARFFS) and puts in place a safety framework, sets minimum service standards, and provides for: criteria for establishment of disestablishment of ARFFS

CASR Part 139 - Aerodromes | Civil Aviation Safety Authority

The contents of this manual are designed to meet the Federal Aviation Administration rules and regulations for airport certification contained in the February 10, 2004 Federal Register 14 CFR Part 139.

AIRPORT CERTIFICATION MANUAL

In 2004, FAA issued a final rule that revised the Federal airport certification regulation [Title 14, Code of Federal Regulations (CFR), Part 139 (14 CFR Part 139) and established certification requirements for airports serving scheduled air carrier operations in aircraft designed for more than 9 passenger seats but less than 31 passenger seats. In addition, this final rule amended a section of an air carrier operation regulation (14 CFR Part 121) so it would conform with changes to airport ...
