Margot Fonteyn - born plain Peggy Hookham - was dreamed into existence by the architects of British ballet: Ninette de Valois, Frederick Ashton and Constant Lambert. Carried to fame on a wave of wartime patriotism, Margot's sense of duty rather than ambition propelled her forward.

Margot Fonteyn began life on the 18th of May, 1919 in Reigate, Surrey, as plain Peggy Hookham. She ended it on the 21st of February, 1991, as Prima Ballerina Assoluta, Dame of the British Empire and the most legendary dancer since Pavlova. Meredith Daneman, with her own extensive background in ballet, tells Fonteyn's story in vivid prose with insight and sensitivity. Drawing upon extensive research, countless interviews, and exclusive access to never-before-seen letters and diaries—including those of Fonteyn's extraordinary and devoted mother—Daneman presents firsthand remembrances of Fonteyn from a vast array of people who knew her and danced with her during the course of her lengthy career. Margot Fonteyn contains revelations not found in any other account of the ballerina, from insights into Fonteyn's private world (especially regarding her relationship with her mother, the "Black Queen") to her feelings about her fellow dancers and, of course, the men in her life—including choreographer Frederick Ashton, her husband Roberto Arias, and her long-time dance partner and rumored lover Nureyev.

England's great prima ballerina spotlights the many worlds of her life and career, with special emphases on her work as an internationally acclaimed dancer, her marriage with Panamanian diplomat Roberto Arias, and her relationship with Nureyev and other n

Margot Fonteyn born plain Peggy Hookham was dreamed into existence by the architects of British ballet: Ninette de Valois, Frederick Ashton and Constant Lambert. Carried to fame on a wave of wartime patriotism, Margot's sense of duty rather than ambition propelled her forward. Yet her gifts were such that her pre-eminence would come to eclipse the careers of subsequent generations. Ballet is a fairytale world; if Margot, like the pure and poetic heroine of Swan Lake, was a natural Odette, she would also have to contend with virtue's raw shadow-side in the guise of Constant Lambert, Roberto Arias and Rudolph Nureyev the men who, like Von Rothbart, were to take possession of her heart.

A biography of the renowned prima ballerina whose career spanned more than forty years.

A dollmaker cleverly schemes to pass his most beautiful doll off as a real girl, but he is outwitted by the townspeople he tries to deceive.

As prima ballerina of the Royal Ballet for over 40 years, Margot Fonteyn inspired generations of younger ballerinas with the characteristics of her dance style. This biography covers those aspects that Fonteyn herself chose to ignore in her Autobiography and describes the last years of her life. It also discusses her long relationship with the conductor and composer Constant Lambert, the most influential lover of her youth, who conceived several ballets for her. The book also reveals the importance of Fonteyn's mother to her career, and describes her marriage to Tito de Arias. Recreating many of Fonteyn's most famous roles, the author illumines them with some of her rare words about her repertory. He also charts her collaboration with the choreographer Frederick Ashton, and her three dance partnerships - with Robert Helpmann, Michael Somes and, most famously, Rudolf Nureyev.

The detailed outline for the curriculum of The Margot Fonteyn Academy of Ballet. Ken Ludden, artistic director, publishes the entire educational method, with detailed course descriptions, standards and traditions, audition requirements, requirements for matriculation, and the levels of education. In the end, graduates of MFAB will have received a thorough education to prepare them to become the artistic leaders of their generation, and as they take to the stages of the world, eyes will open once again to the tremendous artistic achievements possible when the most inspired artists are given impeccable technical training in classical ballet, but also in dramatic arts, music and visual arts. Students are trained for an entire lifetime in the fine art of performance, beginning as performing artists and then, once retired from stage, as leaders of the art world.
