For all its complexity, at its core, marketing revolves around four things: product, price, promotion, and place. Tactics and channels change, but these are the concepts everything else revolves around, and they 're principles that never change. Some models expand these basic principles to 7 P's, or another variation.

The word "strategy" is derived from the Greek word "stratēgos"; stratus (meaning army) and "ēgos" (meaning leading/moving). Strategy is an action that managers take to attain one or more of the organization 's goals. Strategy can also be defined as "A general direction set for the company and its various components to achieve a desired state in the future.
