"All Her Little Secrets is a brilliantly nuanced but powerhouse exploration of race, the legal system, and the crushing pressure of keeping secrets. Morris brings a vibrant and welcome new voice to the thriller space." —Karin Slaughter, New York Times and international bestselling author In this fast-paced thriller, Wanda M. Morris crafts a twisty mystery about a black lawyer who gets caught in a dangerous conspiracy after the sudden death of her boss. . . . But everything changes one cold January morning when Elice arrives in the executive suite and finds him dead with a gunshot to his head. And then she walks away like nothing has happened. Why? Elice has been keeping a cache of dark secrets, including a small-town past and a kid brother who's spent time on the other side of the law. She can't be thrust into the spotlight—again. But instead of grieving this tragedy, people are gossiping, the police are getting suspicious, and Elice, the company's lone black attorney, is promoted to replace her boss. While the opportunity is a dream-come-true, Elice just can't shake the feeling that something is off. When she uncovers shady dealings inside the company, Elice is trapped in an impossible ethical and moral dilemma. Suddenly, Elice's past and present lives collide as she launches into a pulse-pounding race to protect the brother she tried to save years ago and stop a conspiracy far more sinister than she could have ever imagined...

Jack and I, we did everything backward. The day he lured me into his office-which was also the first day we met-he proposed. You'd think a guy who looked like him-a bit cold maybe, but still striking and very unattainable-would only ask the love of his life to marry him, right? You'd think he must be madly in love.Nope. It was me he asked. A complete stranger who had never even heard of him. A stranger who had been dumped by her fiancé only weeks before. You'd think I'd laugh in his face, call him insane-and a few other names-then walk away as quickly as possible. Well...I did all those things except the walking away part.It took him only minutes to talk me into a business deal...erm, I mean marriage, and only days for us to officially tie the knot. Happiest day of my life. Magical. Pop the champagne... Not. It was the worst day. Jack Hawthorne was nothing like what I'd imagined for myself.I blamed him for my lapse in judgment.I blamed his eyes, the ocean blue eyes that looked straight into mine unapologetically, and that frown on his face I had no idea I would become so fascinated with in time.It wasn't long after he said I was the biggest mistake of his life that things started to change. No, he still didn't talk much, but anyone can string a few words together. His actions spoke the loudest to me. And day after day my heart started to get a mind of its own.One second he was no one. The next he became everything.One second he was unattainable. The next he seemed to be completely mine.One second I thought we were in love. The next it was still nothing but a lie.After all, I was Rose and he was Jack. We were doomed from the very beginning with those names. Did you expect anything else?
