MARY QUEEN OF SCOTS, Antonia Fraser, *Leather-like, ICL ...*

Mary Queen of Scots (1969) is a biography of Mary, Queen of Scots, by Antonia Fraser. A 40th-anniversary edition of the book was published in 2009. As she states in her "Author's Note", Fraser aims to test the truth or falsehood of the many legends on Mary and to set her in the context of the age in which she lived.

Mary Queen of Scots by Antonia Fraser - AbeBooks

Mary, byname *Mary, Queen of Scots*, original name *Mary Stuart* or *Mary Stewart*, (born December 8, 1542, Linlithgow Palace, West Lothian, Scotland—died February 8, 1587, Fotheringhay Castle, Northamptonshire, England), queen of Scotland (1542–67) and queen consort of France (1559–60). Her unwise marital and political actions provoked rebellion among the Scottish nobles, forcing her to flee to England, where she was eventually beheaded as a Roman Catholic threat to the English throne.

Mary | Biography & Facts | Britannica

More than four hundred years after her death, *Mary Queen of Scots* remains one of the most romantic and controversial figures in British history. Antonia Fraser’s classic biography of her won the James Tait Prize when it was first published in 1969, became an international bestseller and was translated into nine languages.

“A book that will leave few readers unmoved.” —San Francisco Chronicle

She was the quintessential queen: statuesque, regal, dazzlingly beautiful. Her royal birth gave her claim to the thrones of two nations; her marriage to the young French dauphin promised to place a third glorious crown on her noble head. Instead, *Mary Stuart* became the victim of her own impulsive heart, scandalizing her world with a foolish passion that would lead to abduction, rape and even murder. Betrayed by those she most trusted, she would be lured into a deadly game of power, only to lose to her envious and unforgiving cousin, Elizabeth I. Here is her story, a queen who lost a throne for love, a monarch pampered and adored even as she was led to her beheading, the unforgettable woman who became a legend for all time. Praise for *Mary Queen of Scots* “She was sometimes reviled as a scheming whore, sometimes revered as a misunderstood martyr. But she was invariably regarded as fascinating. Antonia Fraser ’s richly readable biography demonstrates that Mary ’s great fascination continues unabated.” —Time “Compassionate, illuminating, rich in human interest.” —The New York Times “One of the most fascinating figures in history.” —The Columbus Dispatch “With grace, sensitivity, and a sharp eye for detail, lady Antonia Fraser has succeeded not only in recapturing the real Mary from the symbol but also in illuminating the chaotic age in which she lived.” —Newsweek

Mary Queen of Scots passed her childhood in France and married the Dauphin to become Queen of France at the age of sixteen. Widowed less than two years later, she returned to Scotland as Queen after an absence of thirteen years. Her life then entered its best known phase: the early struggles with John Knox, and the unruly Scottish nobility; the fatal marriage to Darnley and his mysterious death; her marriage to Bothwell, the chief suspect, that led directly to her long English captivity at the hands of Queen Elizabeth; the poignant and extraordinary story of her long imprisonment that ended with the labyrinthine Babington plot to free her, and her execution at the age of forty-four.

This Whitbread Award–winning biography and basis for the film *Mary Queen of Scots* starring Saoirse Ronan and Margot Robbie “reads like Shakespearean drama” (The Atlanta Journal-Constitution). “A triumph . . . A masterpiece full of fire and tragedy.” —Amanda Foreman, author of *Georgiana* In the first full-scale biography of *Mary Stuart* in more than thirty years, John Guy creates an intimate and absorbing portrait of one of history ’s greatest women, depicting her world and her place in the sweep of history with stunning immediacy. Bringing together all surviving documents and uncovering a trove of new sources for the first time, Guy dispels the popular image of *Mary Queen of Scots* as a romantic leading lady—achieving her ends through feminine wiles—and establishes her as the intellectual and political equal of Elizabeth I. Through Guy ’s pioneering research and superbly readable prose, we come to see *Mary* as a skillful diplomat, maneuvering ingeniously among a dizzying array of factions that sought to control or dethrone her. Queen of Scots is an enthralling, myth-shattering look at a complex woman and ruler and her time. “The definitive biography . . . Gripping . . . A pure pleasure to read.” —The Washington Post *Book World* “Reads like Shakespearean drama, with all the delicious plotting and fresh writing to go with it.” —The Atlanta Journal-Constitution

BONUS: This edition contains an excerpt from Alison Weir’s *Mary Boleyn*. Handsome, accomplished, and charming, Henry Stuart, Lord Darnley, staked his claim to the English throne by marrying *Mary Stuart*, who herself claimed to be the Queen of England. It was not long before *Mary* discovered that her new husband was interested only in securing sovereign power for himself. Then, on February 10, 1567, an explosion at his lodgings left Darnley dead; the intrigue thickened after it was discovered that he had apparently been suffocated before the blast. After an exhaustive reevaluation of the source material, Alison Weir has come up with a solution to this enduring mystery. Employing her gift for vivid characterization and gripping storytelling, Weir has written one of her most engaging excursions yet into Britain ’s bloodstained, power-obsessed past.

France’s iconic queen, Marie Antoinette, wrongly accused of uttering the infamous “Let them eat cake,” was alternately revered and reviled during her lifetime. For centuries since, she has been the object of debate, speculation, and the fascination so often accorded illustrious figures in history. Married in mere girlhood, this essentially lighthearted child was thrust onto the royal stage and commanded by circumstance to play a significant role in European history. Antonia Fraser’s lavish and engaging portrait excites compassion and regard for all aspects of the queen, immersing the reader not only in the coming-of-age of a graceful woman, but in the culture of an unparalleled time and place.

From the New York Times bestselling author of *Becoming Queen Victoria*, a new history of *Mary Queen of Scots* and Elizabeth I that reveals how the most important relationship of their life—their friendship—changed them forever. Elizabeth and *Mary* were cousins and queens, but eventually it became impossible for them to live together in the same world. This is the story of two women struggling for supremacy in a man ’s world, when no one thought a woman could govern. They both had to negotiate with men—those who wanted their power and those who wanted their bodies—who were determined to best them. In their worlds, female friendship and alliances were unheard of, but for many years theirs was the only friendship that endured. They were as fascinated by each other as lovers; until they became enemies. Enemies so angry and broken that one of them had to die, and so Elizabeth ordered the execution of *Mary*. But first they were each other ’s lone female friends in a violent man ’s world. Their relationship was one of love, affection, jealousy, antipathy—and finally death. This book tells the story of *Mary* and Elizabeth as never before, focusing on their emotions and probing deeply into their intimate lives as women and queens. They loved each other, they hated each other—and in the end they could never escape each other.

This book is a reinterpretation of the life of *Mary, Queen of Scots*. John Guy returns to the archives to explode the myths and correct the inaccuracies that surround this most fascinating monarch. He also explains a central mystery: why *Mary* would have consented to marry - only three months after the death of her second husband, Lord Darnley - the man who was said to be his killer, the Earl of Bothwell. He also solves, through careful re-examination of the Casket Letters, the secret behind Darnley’s spectacular assassination at Kirk o’Field.

The acclaimed New York Times bestselling author shares vivid memories of her childhood and recalls the experiences that set her on the path to a writing life. Ever since she received *Our Island Story* by H. E. Marshall as a Christmas present in 1936, Antonia Fraser’s deep love of history has been a constant in her remarkable life. The book made such an impression that it inspired her to write *Mary, Queen of Scots* thirty years later. Born into British aristocracy, the author’s idyllic early childhood was interrupted by a wartime evacuation to North Oxford. The relocation had profound effects on her life, not the least of which was her education at a Catholic convent and her eventual conversion from the Protestant faith to Catholicism. Her memories of holidays spent at Dunsany Castle and Pakenham Hall, a stint as “Miss Tony” selling hats in a London department store, and her early days working in publishing are all told in her singular, irresistible voice. *My History* is a heartfelt memoir that is also a love letter to a British way of life that has all but disappeared. Anglophiles, history lovers, and Downton Abbey fans are sure to be enthralled.

Mary Stuart, Queen of Scots, was one of history ’s romantically tragic figures. Devious, naïve, often highly principled, beautiful, and sexually voracious, this was a woman who secured the Scottish throne and bolstered the position of the Catholic Church in Scotland. Her endless plotting, including a likely involvement in the murder of her husband Lord Darnley, eventually led to her flight from Scotland and imprisonment by her equally ambitious cousin and fellow queen, Elizabeth of England. And yet when Elizabeth ordered her unpredictable rival and kinswoman to be beheaded in 1587 she did so in resigned frustration rather than as act of political wrath.Was the beheading of a cousin truly necessary? Did *Mary*, though churlish, petulant, and often disloyal, really deserve to forfeit the compassion of her cousin, a woman who from childhood had been her friend and playmate? *Mary ’s* fate was to be born to supreme power, but she was totally lacking in the political ability to deal with its responsibilities. This was the tragedy that turned her life into a study in failure. The extraordinary story of *Mary*, which has inspired the great poets, playwrights, and operatic composers of the 19th and 20th centuries, is one of the most colorful and emotionally searing tales of western history, and is here told by a leading specialist of the 16th century.
