Master of the Jinn. Master of the Jinn really took my breath away. The language is deep, poetic, and layered, textured with so many meanings, as poetic language always is. There were parts where I had to pause, take a deep sigh, and re-read; just for the pleasure of savouring such beautifully written words.

Master of the Jinn is not a story that you can listen to only once and since it is a very long narration, one cannot listen to it in one sitting. It has to be listened to many times before one can begin to understand the deep layers of meanings. Each time you listen to the novel, I assure you, you will find something new to wonder.
