Mechanical Engineering are both ranked No. 1 in Australia and No. 35 and 33 globally in the 2020 ARWU Global Ranking of Academic Subjects.

School of Mechanical and Manufacturing Engineering

Mechanical engineers touch almost everything in our modern world—and then they make it work even better. With a mechanical engineering internship, you'll learn to turn ideas into realities by creating and analyzing designs, running simulations, preparing reports, and testing products. To land your dream internship, you should have a basic understanding of CAD, Revit, mechanics, HVAC ...
