The Mercury

SportJet has a fairly lengthy

winterization

routine in the

service manual. It is

very important to

change out the

pump oil and stator

oil. If you live in a

cold climate like

here in MN, water

intrusion in those

oils can cause

Download File

PDF Mercury

serious damage. It may not occur, and the oil may come out black/purple as the day it went in.

Performance is
about what you
expect from a deck
boat. As noted, the
Islandia is powered
by a Mercury M2
jet that debuted on

the craft a year ago.

Available in both a 210-horsepower and a

240-horsepower EFI model, it is based on the Pro-Max 225 outboard, with the 2.5-liter powerhead coupled to a 90-degree gear set.
