Harlan Coben is one of my favourite thriller writers and I loved Missing You. I liked the cop main character, Kat Donovan, and was willing her to get answers to all the things she wanted to know. Coben is the master of disappearing people and people not being who they say they are, and each book he manages to come up with a fresh plot.

Missing You by Harlan Coben is a 2014 Dutton publication. I am one of the most disorganized readers you will ever meet. I have such a hard time keeping up with series and easily lose track of what order the books should be read in, so when I have a chance to pick up a stand alone by an author who never fails to deliver, then I grab it, no questions asked.
