Movie lovers who tire of the megaplex can travel back through time to experience the glamour of movie theaters once common in days gone by.

In this comprehensive companion to Weimar cinema, chapters address the technological advancements of each film, their production and place within the larger history of German cinema, the style of the director, the actors and the rise of the German star, and the critical reception of the film.

The only resource to offer all vital information about health and safety issues affecting the entertainment industries.

Step into the world of cinema and discover everything there is to know about movies, directors, genres, and styles. Profiling more than 100 of the most significant films ever made, and the world's most influential directors, The Film Book will take you on a journey through the changing landscape of cinema. Discover the behind-the-scenes stories about timeless classics like Citizen Kane and The Godfather, and take a front-row seat at lavish blockbusters like Star Wars or Titanic. Covering every national school of film-making from Hollywood to Bollywood, The Film Book has something for everyone. Top 10 and What to Watch boxes will inspire your next movie night. Test your knowledge with the essential trivia section - how much do you know about Oscar winners, biggest flops, banned films, and more? From the birth of cinema right up until the present, The Film Book is essential reading for movie lovers everywhere.

A reference guide to the Swedish and Finnish directors, screenwriters, actors, actresses and films from the silent film era through the nineties.

The first volume in a new series that historically and critically discusses films, directors, and actors in film industries throughout the world.

**\*\*Your Favorite Movies, Re-Watched\*\*** New York Times opinion writer and bestselling author Lindy West was once the in-house movie critic for Seattle's alternative newsweekly The Stranger, where she covered film with brutal honesty and giddy irreverence. In *Shit, Actually*, Lindy returns to those roots, re-examining beloved and iconic movies from the past 40 years with an eye toward the big questions of our time: Is *Twilight* the horniest movie in history? Why do the zebras in *The Lion King* trust Mufasa-WHO IS A LION-to look out for their best interests? Why did anyone bother making any more movies after *The Fugitive* achieved perfection? And, my god, why don't any of the women in *Love, Actually* ever fucking talk?!?! From *Forrest Gump*, *Honey I Shrank the Kids*, and *Bad Boys II*, to *Face/Off*, *Top Gun*, and *The Notebook*, Lindy combines her razor-sharp wit and trademark humor with a genuine adoration for nostalgic trash to shed new critical light on some of our defining cultural touchstones-the stories we've long been telling ourselves about who we are. At once outrageously funny and piercingly incisive, *Shit, Actually* reminds us to pause and ask, "How does this movie hold up?", all while teaching us how to laugh at the things we love without ever letting them or ourselves off the hook. *Shit, Actually* is a love letter and a break-up note all in one: to the films that shaped us and the ones that ruined us. More often than not, Lindy finds, they're one and the same.
