My Universities by Maxim Gorky (1979-07-26): Maxim Gorky ...

From Maxim Gorky's Trilogy, (Moskva, 1975), ??????? (this book) began it, followed by "Among the People," and "My University." One sentence I admire, even aspire to: at his father's grave he did not cry.

Maxim Gorky is the pseudonym of Alexei Maximovich Peshkov. This text is the first part of his autobiographical trilogy.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

One of the most renowned Soviet writers of the twentieth century, Maxim Gorky was an early supporter of the Bolsheviks. He became disillusioned with the turn of events after the 1917 revolution, however, and wrote a series of critical articles for the magazine New Life that eventually caused the new Communist government to close down the publication. Untimely Thoughts is a collection of these articles. It is at once a brilliant analysis of the Russian national character, a condemnation of the Bolshevik methods of government, and a vision of a future in which respect for individual accomplishment replaces the tyranny of the tsars and the brutality of Russian peasant existence. A controversial book, it was not translated into English until 1968 and was not published in the Soviet Union until 1989. The English edition of Untimely Thoughts is now back in print with a new introduction and chronology by Mark D. Steinberg.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.
