Never Fade! The Darkest Minds Wiki | Fandom

It is rear from a first-person perspective, as was the first book in the series, and we follow Ruby and her new friends, Jude and Vida. Never Fade is approximately as big as The Darkest Minds and it continues off, some months after the end of the first book. The story of the first book is, in my opinion, much darker, compared to this second book.

The Darkest Minds series is comprised of three novels and a collection of three novellas found in Through the Dark. My recommended reading order is: The Darkest Minds, In Time (novella), Never Fade, Sparks Rise (novella), In the Afterlight, and, finally, Beyond the Night (novella). There is a free short story about Liam set between The Darkest Minds and Never Fade that you'll receive when you sign up for my newsletter .

The Darkest Minds series | Alexandra Bracken

The Darkest Minds was released on August 3, 2018. However, 20th Century Fox bought the film rights back in 2014. The entire project took four years to come together. Since the rights to the Never Fade have not been acquired yet, the earliest we can expect a sequel to the Darkest Minds is in 2022, or 2023. Naturally, once the project is underway, casting should not take as long as the first time, since some of the cast members are expected to return in the sequel.

The Darkest Minds 2: Release Date, Cast, Movie Plot ...

Never Fade Jude is first introduced when Ruby arrives at the Children's League's Los Angeles HQ for the first time. Ruby is told that he is on her team along with Vida and Nico. Jude is not deterred by Ruby's constant "just leave me alone" attitude and eventually she becomes very protective of him.

Never Fade (The Darkest Minds #2) | Goodreads

In the second installment of The Darkest Minds trilogy, Ruby joins forces with the revolutionary Children's League to find critical information about the epidemic that has torn both her life and America apart.

Book one in the hit series that's soon to be a major motion picture starring Amanda Stenberg and Mandy Moore--now with a stunning new look and an exclusive bonus short story featuring Liam and his brother, Cole. When Ruby woke up on her tenth birthday, something about her had changed. Something alarming enough to make her parents lock her in the garage and call the police. Something that got her sent to Thurmond, a brutal government "rehabilitation camp." She might have survived the mysterious disease that killed most of America's children, but she and the others emerged with something far worse: frightening abilities they cannot control. Now sixteen, Ruby is one of the dangerous ones. But when the truth about Ruby's abilities--the truth she's hidden from everyone, even the camp authorities--comes out, Ruby barely escapes Thurmond with her life. On the run, she joins a group of kids who escaped their own camp: Zu, a young girl haunted by her past; Chubs, a standoffish brainiac; and Liam, their fearless leader, who is falling hard for Ruby. But no matter how much she aches for him, Ruby can't risk getting close. Not after what happened to her parents. While they journey to find the one safe haven left for kids like them--East River--they must evade their determined pursuers, including an organization that will stop at nothing to use Ruby in their fight against the government. But as they get closer to grasping the things they've dreamed of, Ruby will be faced with a terrible choice, one that may mean giving up her only chance at a life worth living.

From the hit series that's soon to be a major motion picture starring Amanda Stenberg and Mandy Moore--now with a stunning new look and an exclusive sneak peek at The Darkest Legacy, the new novel in the Darkest Minds series! Don't miss this breathtaking collection of stories set in the world of the best-selling Darkest Minds trilogy, now in paperback: IN TIME A desperate young man is forced to make a terrible choice between his own survival and the future of a little girl who won't speak, but who changes his life in ways he could never imagine. SPARKS RISE A spark of light brightens a brutal world when a girl named Sam encounters her childhood best friend at the government-run "rehabilitation" camp, Thurmond. Lucas and Sam form a risky escape plan, but sometimes even love isn't powerful enough to overcome unspeakable cruelty. BEYOND THE NIGHT The camps are closed. A tyrant president has been deposed. But for many Psi kids living rough, there is no home to return to, no place for them in a country devastated by the past and anxious about the future. Every day is a struggle for Sam, who knew all the rules at Thurmond and has been thrown into a terrifying and uncertain new life. But there's more at stake than Sam's own survival. She once made a promise to someone she loves, and the time has come to fulfill it. From New York Times best-selling author Alexandra Bracken comes a collection of three hauntingly beautiful novellas set in the world of the Darkest Minds series. In the most harrowing of times, it takes a ferocious strength not only to survive, but to stand up for those who cannot fight their own battles. The characters in these stories--some new, some familiar--face impossible missions, and the hardest of all may be protecting the last flicker of hope in a seemingly endless night.

The long-awaited new novel in the New York Times best-selling Darkest Minds series, now a major motion picture. Five years after the destruction of the so-called rehabilitation camps that imprisoned her and countless other Psi kids, seventeen-year-old Suzanne "Zu" Kimura has assumed the role of spokesperson for the interim government, fighting for the rights of Psi kids against a growing tide of misinformation and prejudice. But when she is accused of committing a horrifying act, she is forced to go on the run once more in order to stay alive. Determined to clear her name, Zu finds herself in an uncomfortable alliance with Roman and Priyanka, two mysterious Psi who could either help her prove her innocence or betray her before she gets the chance. But as they travel in search of safety and answers, and Zu grows closer to the people she knows she shouldn't trust, they uncover even darker things rolling beneath the veneer of the country's recovery. With her future and the future of all Psi on the line, Zu must use her powerful voice to fight back against forces that seek to drive the Psi into the shadows and save the friends who were once her protectors. From #1 New York Times best-selling author Alexandra Bracken comes a harrowing story of resilience, resistance, and reckoning that will thrill loyal fans and new readers alike.

Book two in the hit series that's soon to be a major motion picture starring Amanda Stenberg and Mandy Moore--now with a stunning new paperback look and an exclusive bonus short story featuring Vida before she joined the League. Ruby never asked for the abilities that almost cost her her life. Now she must call upon them on a daily basis, leading dangerous missions to bring down a corrupt government and breaking into the minds of her enemies. Other kids in the Children's League call Ruby 'Leader', but she knows what she really is: a monster. When Ruby is entrusted with an explosive secret, she must embark on her most dangerous mission yet: leaving the Children's League behind. Crucial information about the disease that killed most of America's children and turned Ruby and the others who lived into feared and hated outcasts has survived every attempt to destroy it. But the truth is only saved in one place: a flashdrive in the hands of Liam Stewart, the boy Ruby once believed was her future and who now wouldn't recognize her. As Ruby sets out across a desperate, lawless country to find Liam and answers about the catastrophe that has ripped both her life and America apart she is torn between old friends and the promise she made to serve the League. Ruby will do anything to protect the people she loves. But what if winning the war means losing herself?

When the Children's League disbands, Ruby becomes a leader and forms an unlikely alliance with Liam's brother, Cole, but competing ideals threaten the mission to uncover the cause of IANN and free psi children from the camps.

'A RIVETING EMOTIONAL READ THAT KEPT ME ON THE EDGE!' -- Melissa Marr, author of the bestselling Wicked Lovely series, on The Darkest Minds Sam didn't think things could get worse at Thurmand rehabilitation camp. Then the Reds arrive. Everyone assumed the kids with firepower had been killed years ago. Instead they were taken away, brainwashed, and returned as terrifyingly effective guards. To her horror, Sam recognizes one of them: Lucas, the one spark of light in Sam's dark childhood. Lucas has a deadly secret - he beat the brutal training that turned his fellow Reds into mindless drones. When Sam defends herself against an attack by a vile PSF guard and faces a harrowing punishment, Lucas must risk everything to save her. Don't miss the thrilling novella that connects the second and third novels in the New York Times bestselling series The Darkest Minds. MORE PRAISE FOR THE DARKEST MINDS 'The story's quick-paced action leads to a heartbreaking cliffhanger that will have readers eager for the next book ...' -- Publishers Weekly 'Haunting ... Bracken creates a gripping and terrifying dystopian world.' -- Kirkus Reviews 'HELL TO THE YES, I love this story and these characters so much!!!' -- Goodreads 'THE DARKEST MINDS was, without a doubt, one of the best books I have read!' -- Goodreads

Hold on to your hats: The authors who brought you the New York Times bestseller My Plain Jane, which Booklist praised as '[d]elightfully deadpan!' (starred review) and Publishers Weekly called '[a] clever, romantic farce!' (starred review), are back with another irreverent historical adventure. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou (better known as werewolves. And where there are garou, there're hunters: the one and only Calamity Jane, to be precise, along with her fellow stars of Wild Bill's Traveling Show, Annie Oakley and Frank [the Pistol Prince] Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there's talk of a garou cure. But rumors can be deceiving/meaning the gang better high-tail it after her before they're a day late and a Jane short. In this perfect next read for fans of A Gentleman's Guide to Vice and Virtue, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splitting, whopper-filled (but actually kind of factual?) tale of Calamity Jane.

#1 New York Times best-selling author Alexandra Bracken reimagines and expands her magical debut novel as an exciting new graphic novel.

Violin prodigy Etta Spencer had big plans for her future, but a tragic accident has put her once-bright career at risk. Closely tied to her musical skill, however, is a mysterious power she doesn't even know she has. When her two talents collide during a stressful performance, Etta is drawn back hundreds of years through time. Etta wakes, confused and terrified, in 1776, in the midst a fierce sea battle. Nicholas Carter, the handsome young prize master of a privateering ship, has been hired to retrieve Etta and deliver her unharmed to the Ironwoods, a powerful family in the Colonies/the very same one that orchestrated her jump back, and one Nicholas himself has mysteries ties to. But discovering she can time travel is nothing compared to the shock of discovering the true reason the Ironwoods have snared her in their web. Another traveler has stolen an object of untold value from them, and, if Etta can find it, they will return her to her own time. Out of options, Etta and Nicholas embark on a perilous journey across centuries and continents, piecing together clues left behind by the mysterious traveler. But as they draw closer to each other and the end of their search, the true nature of the object, and the dangerous game the Ironwoods are playing, comes to light/threatening to separate her not only from Nicholas, but her path home... forever.
