The third edition of this handbook provides a step-by-step guide to writing an exegetical paper on the New Testament. It takes into account the latest advances in methodology as well as resources. 10 illustrations.

For years, Douglas Stuart's Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis--the science and art of interpreting biblical texts properly for understanding as well as proclamation. Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart provides guidance for full exegesis as well as for a quicker approach to provide information specifically tailored to the task of preaching. A glossary of terms explains the sometimes bewildering language of biblical scholarship, and a list of frequent errors guides the student in avoiding common mistakes. No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful, careful interpreters of Scripture.

New Testament scholar Craig Blomberg and his former research assistant Jennifer Foutz Markley offer both a broad overview of the exegetical process and a step-by-step approach to studying the New Testament in depth, helping readers understand the text and appropriate it responsibly. The book is full of illustrations of interesting or controversial New Testament texts where using the method under discussion truly makes a difference in how the texts are interpreted. --from publisher description

Completely updated and substantially expanded, this new edition includes scores of newer resources, a new configuration of the format for the exegesis process, and an entirely new section explaining where to find and how to use the latest electronic and online resources for doing biblical research. Stuart's approach provides a careful and judicious, step-by-step guide to exegesis that works with any Old Testament passage. He provides guidance for full exegesis as well as for a quicker approach to provide information specifically tailored to the task of preaching. --from publisher description.

This indispensable, stimulating guide provides a practical method for a thorough, careful exegesis of the New Testament. It gives step-by-step analysis of the exegetical procedures, a brief guide to exegesis for sermon preparation, and resources for further study. This volume reflects many changes since the first edition was published, opening up new ways of hearing the New Testament.

Designed for both Hebrew and non-Hebrew students, A Handbook to Old Testament Exegesis offers a fresh, hands-on introduction to exegesis of the Old Testament. William P. Brown begins not with the biblical text itself but with the reader, helping students to identify their own interpretive lenses before engaging the biblical text. Brown guides the student through a wide variety of interpretive approaches, including modern methodologies--"feminist, womanist, Latino/a, queer, postcolonial, disability, and ecological approaches"--alongside more traditional methods. This allows students to critically reflect on themselves as bona fide interpreters. While covering a wide range of biblical passages, Brown also highlights two common biblical texts throughout the work to help show how each interpretive approach highlights different dimensions of the same texts. Students will appreciate the value of an empathetic inquiry of Scripture that is both inclusive of others and textually in-depth.

This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling Commentary on the New Testament Use of the Old Testament, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and categories necessary for them to do their own

Read Book New Testament Exegesis A Handbook For Students And Pastors Gordon D Fee

exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E. Ciampa, Gordon-Conwell Theological Seminary

This handbook provides a substantial theoretical and practical guide to the multi-faceted discipline of exegesis of the New Testament. It offers succinct and well-informed essays, with plenty of bibliography, written by experts in their respective fields. The handbook will serve well as a textbook, as well as a reference book to the major tools and topics in the area. This publication has also been published in paperback, please click [here](#) for details.

This valuable reference tool for students and pastors explores the components of the narrative genre—setting, characterization, and plot—and then develops the major theological themes in each of the Old Testament historical books.
