Nothing Lasts Forever is a 1984 American science-fiction comedy film directed by Tom Schiller. Shortly before its intended release date of September 1984, Metro-Goldwyn-Mayer postponed it. The film has never been officially released theatrically or for home media in the United States.

Nothing Lasts Forever (film) - Wikipedia

The perpetual motion engine, as brilliant and beautiful as it is, is running down—nothing lasts forever. But before this little world falls out of the sky there still might be time enough for redemption. There is still time for me to say the words that I should have had the courage to say at the beginning.
