Biographical History. Henry Miller (1891-1980) was an American author. He was known for his experimental, surrealist novels, such as Tropic of Cancer, which mixed fiction and autobiography. His writing was controversial for its graphic depictions of sexuality, leading to a 1964 obscenity trial in the United States, *Grove Press, Inc. v. Gerstein*.

In 1941, Henry Miller, the author of Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller ’ s characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. *Under the Roofs of Paris* (originally published as *Opus Pistorum*) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. *Under the Roofs of Paris* (originally published as *Opus Pistorum*) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

Henry Miller's famously banned book is "a matter-of-fact celebration of chucking one's dreary life and following your heart to Paris" (Richard Price). Now hailed as an American classic, *Tropic of Cancer*, Henry Miller's masterpiece, was banned as obscene in this country for twenty-seven years after its first publication in Paris in 1934. Only a historic court ruling that changed American censorship standards, ushering in a new era of freedom and frankness in modern literature, permitted the publication of this first volume of Miller's famed mixture of memoir and fiction, which chronicles with unapologetic gusto the bawdy adventures of a young expatriate writer, his friends, and the characters they meet in Paris in the 1930s. *Tropic of Cancer* is now considered, as Norman Mailer said, "one of the ten or twenty great novels of our century."

The author's quest for spiritual renewal is illuminated in descriptions of his impressions of Greece and its people

Set in 1940s and '50s provincial Brazil, *House of the Fortunate Buddhas* is perhaps most startling for its fiery, uninhibited, and highly compelling narrator. By force of her intelligence, courage, and strength of will, she achieves an unlikely liberation of both mind and body, and her sardonic, frank—some have called it pornographic—monologue is an unforgettable work of literary ventriloquism, telling the story of one woman's journey toward fulfillment. From the book: "I decided to give my testimony orally, instead of writing it down, for several reasons, the major one being arthritis. No, let's cut that last line out! I don't have arthritis, and even if I did, I certainly wouldn't let any get into my book. So, fine: preface. I decided to give my testimony orally instead of in writing mainly because it's impossible to write about sex, at least in Portuguese, without coming off like a prostitute who's just been asked to 'talk dirty' for the twentieth time in the same day . . ." *House of the Fortunate Buddhas* has been translated into French (winning the Grinzane Cavour Prize), Italian, and Spanish, and was adapted into a hit one-woman play in Brazil.

In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronski. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.
