Eventually he starts his own business, a butcher shop.

Out of This Furnace is Thomas Bell's most compelling achievement. Its story of three generations of an immigrant Slovak family -- the Dobrejcks -- still stands as a fresh and extraordinary accomplishment. The novel begins in the mid-1880s with the naive blundering career of Djuro Kracha. It tracks his arrival from the old country as he walked from New York to White Haven, his later migration to the steel mills of Braddock, Pennsylvania, and his eventual downfall through foolish financial speculations and an extramarital affair. The second generation is represented by Kracha's daughter, Mary, who married Mike Dobrejcek, a steel worker. Their decent lives, made desperate by the inhuman working conditions of the mills, were held together by the warm bonds of their family life, and Mike's political idealism set an example for the children. Dobie Dobrejcek, the third generation, came of age in the 1920s determined not to be sacrificed to the mills. His involvement in the successful unionization of the steel industry climaxed a half-century struggle to establish economic justice for the workers. Out of This Furnace is a document of ethnic heritage and of a violent and cruel period in our history, but it is also a superb story. The writing is strong and forthright, and the novel builds constantly to its triumphantly human conclusion.

My husband died the day after Christmas, leaving four children, ages two to nine. Anxious how we would manage without him, too young to understand, my children asked, "Why my daddy?" While vacationing at my brother's lake cabin, in Michigan's Northern Wood, we watched a mother raccoon and her babies feeding daily at the stump outside our kitchen window when the idea came to write my stories through the eyes of animals. The first book in *The Waddodles of Hollow Lake* series, *Law of the Woodland*, is built on family values, tales of courage, love, hope and trust in each other. The second series book, *The Waddodles of Hollow Lake: Calamity on East Bay* features more exciting adventures with *The Waddodles* and their friends, highlighting many episodes with their enemies, *The Ruffin twins*, *Old Mr. Grump* and "The Beast" *Big Casey*, the meanest black bear in all the territories circling *Hollow Lake*. Will the *Raccoon Waddodle* Family have to move from their rock den on *East Bay* to a safe new home? How will *The Waddodles* have the courage to leave the only home they have ever known and loved? Who will protect *Harriet* and her children now that *Theodore* is gone forever? Read it to find out?

When fourteen-year-old Alex is framed for murder, he becomes an inmate in the *Furnace Penitentiary*, where brutal inmates and sadistic guards reign, boys who disappear in the middle of the night sometimes return weirdly altered, and escape might just be possible.
