This manual serves as a valuable reference book for the painting and decorating industry. The textbook has been used with many apprentice programs and has been cited as an authority in litigation to settle issues arising from the alleged improper application or use of materials. Topics covered in the manual include materials, equipment, rigging, safety, color procedures, failure and remedies, wallcoverings, application techniques, surface preparation and more. 350 pages

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
