Employers face a myriad of issues when hiring: how to recruit, whom to select, how to interview, Equal Employment Opportunity policies, fair salary offerings, health issues, performance evaluations, behavior/disciplinary actions, turnover, and the list goes on and on. Practical Human Resources Management for Public Managers: A Case Study Approach provides insight into human resource trends and demonstrates how complex situations can

be successfully managed by public sector practitioners. The authors take us step by step into the "real world" with examples of historical events that compare "What Happened" with "What Could Have Happened" as well as suggested readings for more in-depth analysis and important points to remember. Exploring the space between theory and what actually occurs in the world, this book supplies instructional case studies based upon actual events. The authors introduce key human resources issues with clear, concise language and provide techniques to address these issues in a real-world setting. The case studies cover legal and liability issues, recruiting and hiring, employee performance, reward and discipline issues, retention, termination, workplace violence, mentorship, motivation, and managing through transitions. The authors bring know-how from a wide array of working environments, including teaching and administrative experience in public universities and management in municipalities of various population sizes from a few thousand to more than a million. They have also worked in a variety of capacities within these organizations, which allow them to see different perspectives on how different departments handle similar situations. They use their from-the-trenches knowledge to explore pragmatic ways to deal with human resource issues in public sector workplaces.

The proven Glannon Guide is a user-friendly study aid to use throughout the semester as a great supplement to (or substitute for) classroom lecture. Topics are broken down into manageable pieces and are explained in a conversational tone. Chapters are interspersed with hypotheticals like those posed in the classroom that include analysis of answers to ensure thorough understanding. Additionally, "The Closer" questions pose sophisticated hypotheticals at the end of each chapter to present cumulative review of earlier topics. More like classroom experiences, the Glannon Guide provides you with straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick. The user-friendly Glannon Guide is your proven partner throughout the semester when you need a supplement to (or substitute for) classroom lecture. The material is broken into small, manageable pieces to help you master concepts. Multiple-choice questions are interspersed throughout each chapter (not lumped at the end) to mirror the flow of a classroom lecture. Correct and incorrect answers are carefully explained; you learn why they do or do not work. You can rely on authority; the series was created by Joseph W. Glannon Harvard-educated, best-selling author of, among other legal texts, Examples and Explanations; Civil Procedure, now in its sixth edition. "The Closer" poses a sophisticated problem question at the end of each chapter to test your comprehension. A final "Closing Closer" provides you practice opportunity as well as a cumulative review of all the concepts from earlier chapters. You can check your understanding each step of the way. More like classroom experiences, these Guides provide straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick.

I wanted to share a little bit of my life with the members of the United States Armed Forces and Civilian Employees in the United States and around the Globe supporting those who serve. It's important to understand what role we, as Civilians play in the overall objective of the mission. I've had both an Honor and Privilege in getting to know the many service members I've encountered thanks to the multiple installations I've served under. As I reflect on all of my memories, I believe that it would not have been possible for my success within my career field if it were not for all of the support and mentoring I have received throughout my life working alongside our service members. It is my hope that many other civilian
