K. M. Szpara's Docile is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a Docile is to be kept, body and soul, for the uses of the owner of your contract. To be a Docile is to forget, to disappear, to hide inside your body from the horrors of your service. To be a Docile is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder ' s family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the Dociline she took during her term as a Docile, so when Elisha decides to try and erase the family ' s debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind Dociline and the entire Office of Debt Resolution. When Elisha refuses Dociline, Alex refuses to believe that his family ' s crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile without it. Content warning: Docile contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Many companies now recognize that learning through training, development, and knowledge management helps employees strengthen or increase their skills in order to improve or make new products, generate new and innovative ideas, and provide high-quality customer service. Thus, an emphasis on learning through training, development, and knowledge management is no longer in the category of “ nice to do ” —they are a “ must do ” if companies want to gain a competitive advantage and meet employees ' expectations. Based on the author ' s extensive experience in teaching training and development courses to both graduate and undergraduate students, Employee

Training and Development, Seventh Edition, retains the lively writing style, inspiring examples, and emphasis on new technology and strategic training from previous editions.

Express your imagination and creativity with this softcover journal book. Perfect for thoughts and feelings. The True Story of a Friendly Urban Raccoon Meet Lula Belle and her four kits living in the yard of an artist who photographed, painted, and wrote about these beautiful and friendly wild creatures. Marcia had many opportunities to observe and interact with these raccoons who have successfully adapted to city living.
