Person-centred therapy, also known as person-centred or client-centred counselling, is a humanistic approach that deals with the ways in which individuals perceive themselves consciously, rather than how a counsellor can interpret their unconscious thoughts or ideas.

[Person-centred therapy - Counselling Directory](#)

It is one of the core conditions of person centred counselling and I believe that without congruence, the other skills used in counselling would suffer. As everything hinges on the counsellor being honest and real for the client. If a counsellor feels bored
