An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

MARKETING: THE CORE, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

MKTG from 4LTR Press connects students to the principles of marketing—bringing them to life through timely examples showing how they 're applied at the world 's top companies every day. Features of the fourth edition of The Marketing Plan Handbook include: Your Marketing Plan, Step-by-Step - This new feature guides you through the development of an individualized marketing plan, providing assistance in generating ideas, and challenging you to think critically about the issues. Model of the Marketing Planning Process - A new conceptual model of the planning process serves as an organizing figure for the book. The model helps you visualize the connections between the steps and to focus on the three key outcomes of any marketing plan: to provide value, to build relationships, and to make a difference to stakeholders. Sample Marketing plan - the updated sample plan for the SonicSuperphone, a multimedia, multifunction smartphone, illustrates the content and organization of a typical marketing plan. Practical Planning Tips - Every chapter includes numerous tips that emphasize practical aspects of planning and specific issues to consider when developing a marketing plan. Chapter Checklists - Prepare for planning by answering the questions in each chapter's checklist as you create your own marketing plan. There are 10 checklists in all, covering a wide range of steps in the planning.
