Questo volume raccoglie gli atti del convegno nazionale dell'Associazione Italiana Alexander von Humboldt, tenutosi presso il Centro italo-tedesco per il dialogo europeo Villa Vigoni, (Lovenò di Menaggio) dall'11 al 14 aprile 2019. Il convegno, dal titolo Kosmos nel XXI Secolo, dedicato alla celebrazione dei 250 anni dalla nascita di Alexander von Humboldt, si è proposto come una rivisitazione in chiave attuale dell'ultimo lavoro di Humboldt e suo testamento spirituale Kosmos – Entwurf einer physischen Weltbeschreibung. Partendo dalla immagine integrata e coerente del cosmo proposta da Humboldt, il convegno si è delineato come una vivace occasione di dibattito interdisciplinare su questioni di interesse globale e di grande attualità. Temi inerenti al fabbisogno energetico, alla biodiversità, ai viaggi, alla comunicazione, alle migrazioni, alla poesia, alla storia e alla geografia sono stati affrontati con interesse e spirito costruttivo tra discipline scientifiche e umanistiche nel suggestivo contesto di Villa Vigoni e del lago di Como. Il convegno, sostenuto dalla fondazione tedesca Alexander von Humboldt,

è stato aperto e concluso dai rappresentanti istituzionali della Repubblica Federale di Germania ed ha avuto una ampia partecipazione nazionale ed internazionale. Dieser Sammelband enthält die Beiträge zur nationalen Konferenz der italienischen Alexander von Humboldt Gesellschaft, die vom 11. bis 14. April 2019 im Deutsch-Italienischen Zentrum für Europäischen Dialog Villa Vigoni in Lovenno di Menaggio (Como) stattfand. Die Konferenz mit dem Titel Kosmos im XXI. Jahrhundert widmete sich der 250 Jahr-Feier des Geburtstags Alexander von Humboldts und bot somit einen aktuellen Blick auf Humboldts letztes Werk und sein geistiges Erbe: Kosmos – Entwurf einer physischen Weltbeschreibung. Ausgehend von Humboldts Bild des Kosmos, bot die Konferenz eine lebendige Gelegenheit für eine interdisziplinäre Debatte über Fragen von globalem und aktuellem Interesse. Fragen der Energienachfrage, Biodiversität, Reisen, Kommunikation und Migration, Poesie und Geschichte sowie Geographie wurden behandelt und in einem interessanten und konstruktiven Vergleich zwischen den Disziplinen im wissenschaftlich und humanistisch Kontext von Villa Vigoni diskutiert. Die Konferenz, unterstützt von der Alexander von Humboldt Stiftung, wurde von den institutionellen Vertretern der Bundesrepublik Deutschland eröffnet und hatte eine große nationale sowie internationale Beteiligung.

These proceedings represent the work of authors at the 13th European Conference on e-Government (ECEG 2013). The Conference this year is hosted by the University of Insubria in Como, Italy. The Conference Chair is Professor Walter Castelnovo and the Programme Chair is Professor Elena Ferrari, both are from the Department of Theoretical and Applied Sciences at the University of Insubria. The opening keynote address is given by Dr Gianluca Misuraca from the European Commission, Joint Research Centre, Institute for Prospective Technological Studies, Seville, Spain and Gianluca is addressing the topic "eGovernment: Past, Present & Future: A policy-research perspective for renewing governance in the digital age." The second day of the conference is opened by Dr Antonino Cordella from the London School of Economics, London, UK, who will talk about "Public value creation: the new challenge for e-government policies." ECEG brings together, researchers, Government officials and practitioners in the area of e-Government from around the world. Participants are able to share their research findings and explore the latest developments and trends in the field which can then be disseminated to the wider community. With an initial submission of 153 abstracts, after the double blind, peer review process there are papers published in these Conference Proceedings from 40 countries including Australia, Austria, Belgium, Brazil, Canada, China, Costa Rica, Croatia, Denmark, Egypt, Germany, Greece, India, Iran, Iraq, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malaysia, Netherlands, New Zealand, Norway, Pakistan, Poland, Romania, Russia, Saudi Arabia, Serbia, Slovenia, South Africa, Spain, Sweden, Switzerland, Taiwan, Thailand, Turkey, UK and USA. This will ensure a very interesting two days.
