|FREE| Reclaiming Youth At Risk: Our Hope For The Future

Youth at risk have a right to the "least restrictive" intervention appropriate to their needs. But the ultimate test of the appropriateness of any placement, program or is whether it serves to create the "most reclaiming" environment. It is no secret what kind of environments lead to "rotten outcomes" with vulnerable youth.

Reclaiming Youth At Risk

About Reclaiming Youth at Risk. The mission of Reclaiming Youth at Risk is to provide research, training, and consultation to build strengths in children, families, schools, and communities. For thousands of years, American Indian cultures nourished respectful and courageous children without employing punitive discipline. Drawing from these little-understood resources, we provide a holistic approach to reclaiming youth at risk.
