Words from the achiever. “When I was in high school, there was a book by James MacGregor Burns, a wonderful historian, called The Lion and the Fox, about FDR. And it was about his personality, his character, his early years in Hyde Park, his polio experience. And I remember that so vividly as the first real, live history book that I love so much. And I later met him and have gotten to know him as a colleague, and he’s about 30 years older than I am, and I couldn’t wait to tell him ...
