### POLARIS RZR 1000 - Vivid Racing

LHT Performance near Tampa, Florida, put together a video that documents their installation of a KraftWerks USA system on one S2000. While it looks fairly straightforward, LHT in the video description say this is their 28th KraftWerks install. When it's done, however, the supercharger adds 200 reliable horsepower to an already fantastic engine.

### KraftWerks Supercharger Installation Yields 200WHP Gains ...

The TDR Rotrex now comes standard with the C30-94 supercharger for all model years. This provides you with the most potential horsepower. We detune it to 10/11 psi with a larger supercharger pulley for our standard kit which uses our TDR Fuel and Timing Cards. The limiting factor of this setup is the fueling while retaining the stock ECU.

### Rotrex - Track Dog Racing

The Rotrex C30-94 supercharger provides a strong and smooth power band, while also maintaining perfect drivability and excellent fuel economy. Also, the Jackson Racing intercooler system is unique in the FR-S/BRZ market and has been engineered for proper bolt-on fitment.

### FR-S/BRZ C30 Supercharger System - Jackson Racing

Rotrex superchargers also operate much cooler when compared to turbochargers and other supercharger systems, which reduces the engine's intake air temperature as well as its risk of detonation. Rotrex superchargers are renowned for their compact size, high adiabatic efficiency, low vibration, and quiet operation.
