S. L. Loney - Wikipedia
 Plain Trigonometry by S.L.Loney is a great book that has stood the test of time but in the first place it wasn't specifically written for the preparation of an exam called IIT-JEE. Loney contains a lot of trigonometrical theories that doesn't come under the premise of IIT-JEE syllabus at the same time it doesn't have as many questions that you may want to try so as to polish your preparation.
