This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia

Considered Teffi ' s single greatest work, *Memories: From Moscow to the Black Sea* is a deeply personal account of the

author ' s last months in Russia and Ukraine, suffused with her acute awareness of the political currents churning around her, many of which have now resurfaced. In 1918, in the immediate aftermath of the Russian Revolution, Teffi, whose stories and journalism had made her a celebrity in Moscow, was invited to read from her work in Ukraine. She accepted the invitation eagerly, though she had every intention of returning home. As it happened, her trip ended four years later in Paris, where she would spend the rest of her life in exile. None of this was foreseeable when she arrived in German-occupied Kiev to discover a hotbed of artistic energy and experimentation. When Kiev fell several months later to Ukrainian nationalists, Teffi fled south to Odessa, then on to the port of Novorossiysk, from which she embarked at last for Constantinople. Danger and death threaten throughout Memories, even as the book displays the brilliant style, keen eye, comic gift, and deep feeling that have made Teffi one of the most beloved of twentieth-century Russian writers.
