In this third book of the Sundering series kicked off by R.A. Salvatore and the dark elf Drizzt, SCRIBE award-winning author Erin M. Evans thrusts her signature character Farideh into a maelstrom of devilish politics and magical intrigue that will have far-reaching implications for the future of the Forgotten Realms. As the chaos of the Sundering rages around her, young warlock Farideh faces a more personal turmoil wrought by a deal she made with a devil years ago. Hoping to protect her twin sister, she leaves everything she holds dear to assist a wizard in a scheme that pits the devils of the Nine Hells against the gods above. But when Farideh casts the spell to enter the wizard ' s remote mountaintop fortress, she picks up a stowaway—a Harper agent named Dahl who isn ' t so inclined to follow devilish demands. Dahl attempts to escape only to run into a village of odd people, lurking behind an impenetrable wall. Forced to gaze into the villagers ' souls, Farideh points out the ones who seem different, only to watch as the wizard ' s guard carts them off to fates unknown. Are these villagers or prisoners? Are they blessed or doomed by the gods? As the wizard ' s guessing game proves more and more diabolical, Farideh resolves to unravel his secrets—even if it means she ' ll lose her own soul to the Nine Hells. From the Hardcover edition.

New in this edition is a 20 page section on the use of ICT resources in teaching and learning about statistics. The book also includes over 300 worked examples and advice on how to break down calculations into easy stages.

Born in a middle class trading family, Kishore Biyani started his career selling stonewash fabric to small shops in Mumbai. Years later, with the launch of Pantaloons, Big Bazaar, Food Bazaar, Central and many more retail formats, he redefined the retailing business in India. Incidentally, Kishore Biyani s objective is to capture every rupee in the wallet of every Indian consumer, wherever they are - an investment banker living in a south Mumbai locality or a farmer in Sangli. As large business houses enter the retail space, Kishore Biyani is not just concentrating on retail but aiming to capture the entire Indian consumption space. From building shopping malls, developing consumer brands to selling insurance, he is getting into every business where a customer spends her money.
