A prose retelling, incorporating lines from the play, of the tragic consequences of a deadly feud between two rival families in Renaissance Verona.

A prose retelling, incorporating lines from the play, of the tragic consequences of a deadly feud between two rival families in Renaissance Verona.

Balthasar - Baz - a Montague mob foot soldier and Romeo's right hand man - narrates the tragic tale of Romeo and Juliet . The story unfolds on a contemporary Nottingham estate, where trouble is brewing between the Montague Mob and the Capulet Crew. A contemporary retelling of one of Shakespeare's most famous plays, but there are still no happy endings...;

Michael Anderegg investigates how Shakespeare films constitute an exciting & ever-changing film genre. He looks closely at films by Olivier, Welles, & Branagh, as well as postmodern Shakespeares & multiple adaptations over the years of 'Romeo and Juliet'.

O objetivo deste trabalho é analisar o uso de canções e efeitos sonoros em quatro produções teatrais de Romeu e Julieta, de William Shakespeare, enfocando os cruzamentos interculturais entre o texto e os vários contextos de performance. Este estudo propõe a análise do desenho sonoro como prática teatral, tomando como referência central teorias dos estudos musicais (Luiz Tatit e Marcos Napolitano), dos estudos de desenho sonoro (Deena Kaye, James Lebrecht e Livio Tragtenberg), da análise da performance (W.B. Worthen, Patrice Pavis, Susan Bennett, e outros), e de análises textuais, e levando em conta os estágios que envolvem uma produção teatral: concepção, produção, e recepção. O corpus da pesquisa é constituído pelas seguintes produções teatrais: *Romeo and Juliet*, da Royal Shakespeare Company, dirigida por Michael Bogdanov (1986); *Romeo and Juliet*, da Royal Shakespeare Company, dirigida por Michael Boyd (2000); *Romeu e Julieta*, do Grupo Macunaíma, dirigida por Antunes Filho (1984); e *Romeu e Julieta*, do Grupo Galpão, dirigida por Gabriel Villela (1992). O estudo demonstra que a análise da performance pode ser aprimorada ao focar a complexidade discursiva dos eventos sonoros, através da investigação dos momentos em que som e canção ocupam papéis importantes na cena teatral.

Shakespeare: His Work and His World is written by Michael Rosen in an accessible, modern, child-friendly style. As well as facts about his life and the theatre of the day, Rosen provides lively studies of *Macbeth*, *A Midsummer Night's Dream*, *King Lear* and *The Tempest*. Also included is a detailed analysis of a scene from *Romeo and Juliet*.

This volume introduces 'civic Shakespeare' as a new and complex category entailing the dynamic relation between the individual and the community on issues of authority, liberty, and cultural production. It investigates civic Shakespeare through *Romeo and Juliet* as a case study for an interrogation of the limits and possibilities of theatre and the idea of the civic. The play's focus on civil strife, political challenge, and the rise of a new conception of the individual within society makes it an ideal site to examine how early modern civic topics were received and reconfigured on stage, and how the play has triggered ever new interpretations and civic performances over time. The essays focus on the way the play reflects civic life through the dramatization of issues of crisis and reconciliation when private and public spaces are brought to conflict, but also concentrate on the way the play has subsequently entered the public space of civic life. Set within the fertile context of performance studies and inspired by philosophical and sociological approaches, this book helps clarify the role of theatre within civic space while questioning the relation between citizens as spectators and the community. The wide-ranging chapters cover problems of civil interaction and their onstage representation, dealing with urban and household spaces; the boundaries of social relations and legal, economic, political, and religious regulation; and the public dimension of memory and celebration. This volume articulates civic *Romeo and Juliet* from the sources of genre to contemporary multicultural performances in political contact-zones and civic 'Shakespaces,' exploring the Bard and this play within the context of communal practices and their relations with institutions and civic interests.

Balthasar - Baz - a Montague mob foot soldier and Romeo's right hand man - narrates the tragic tale of *Romeo and Juliet*.
