Dan Savage is a much-needed voice of reason in our country, where those in power are currently whittling away at our Bill of Rights under the guise of the War on Terrorism. These rights are protected only so long as watchful citizens jealously guard them, and Dan seems to be one of the few speaking out.

Pride--and those who delight in their sinful pursuits. Reprint.

In *Skipping Towards Gomorrah*, Dan Savage eviscerates the right-wing conservatives as he commits each of the Seven Deadly Sins himself (or tries to) and finds those everyday Americans who take particular delight in their sinful pursuits. Among them: Greed: Gamblers reveal secrets behind outrageous fortune. Lust: "We're swingers!"-you won't believe who's doing it. Anger: Texans shoot off some rounds and then listen to Dan fire off on his own about guns, gun control, and the Second Amendment. Combine a unique history of the Seven Deadly Sins, a new interpretation of the biblical stories of Sodom and Gomorrah, and enough Bill Bennett, Robert Bork, Pat Buchanan, Dr. Laura, and Bill O'Reilly bashing to more than make up for their incessant carping, and you've got the most provocative book of the fall.

The sex-advice columnist for "Savage Love" draws on his experience with the It Gets Better campaign to share pithy insights into a range of topics including health care, gun control, and marriage equality.

America's premier sex advice columnist takes on edgier-than-ever sex-positive topics with his signature candor in his first illustrated collection of adults-only essays, coinciding with the 30th anniversary of the Savage Love column. Dan Savage has been talking frankly about sex and relationships for 30 years, and has built an international following thanks to his sex-positive Savage Love column and podcast. To celebrate this milestone comes *Savage Love from A to Z*, an illustrated collection of 26 never-before-published essays that provides a thoughtful, frank dive into Savage's trademark phrases and philosophies. This hardcover book is for anyone who's had sex, is currently having sex, or hopes to have sex! Essays cover a variety of topics: □ B Is for Boredom □ F Is for Fuck First □ G Is for GGG (Good Giving Game) □ M Is for Monogamish Whether he's talking about issues like compatibility or specific sex acts, you can be sure he's giving it to you straight. Short excerpts from his classic columns kick off each essay and cheeky illustrations by his longtime collaborator Joe Newton complement the topic at hand. Savage has moved the needle toward a more open discourse around sex, relationships, and intimacy, and this book will both inspire and inform his legions of fans. An ideal stocking stuffer!

Dan Savage's mother wants him to get married. His boyfriend, Terry, says "no thanks" because he doesn't want to act like a straight person. Their six-year-old son DJ says his two dads aren't "allowed" to get married, but that he'd like to come to the reception and eat cake. Throw into the mix Dan's straight siblings, whose varied choices form a microcosm of how Americans are approaching marriage these days, and you get a rollicking family memoir that will have everyone—gay or straight, right or left, single or married—howling with laughter and rethinking their notions of marriage and all it entails.

Dan Savage's nationally syndicated sex advice column, "Savage Love," enrages and excites more than four million people each week. In *The Kid*, Savage tells a no-holds-barred, high-energy story of an ordinary American couple who wants to have a baby. Except that in this case the couple happens to be Dan and his boyfriend. That fact, in the face of a society enormously uneasy with gay adoption, makes for an edgy, entertaining, and illuminating read. When Dan and his boyfriend are finally presented with an infant badly in need of parenting, they find themselves caught up in a drama that extends well beyond the confines of their immediate world. A story about confronting homophobia, falling in love, getting older, and getting a little bit smarter, *The Kid* is a book about the very human desire to have a family.

Savage Love tells (almost) all anyone needs to know about sex. Brutally honest and scathingly funny, Dan's advice will inform and shock the curious reader. Savage has the last word on everything from STDs and fetishes, to fundamentalism and orgasms (multiple, premature and faked). He gives advice on how to get into, out of and off on a relationship, explains what straight boys should do with women's genitals and why straight girls dig gay boys. From the queer who knows best, the book sets out to tell it like it is. Don't like my advice? Don't ask for it. Don't like my column? Don't read it. Got better advice? Get your own f**cking advice column.

Every story can change a life. Watch a video Growing up isn't easy. Many young people face daily tormenting and bullying, making them feel like they have nowhere to turn. This is especially true for LGBT kids and teens who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian adolescents are taunted - even tortured - simply for being themselves. After a number of tragic suicides by LGBT students who were bullied in school, syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller to inspire hope for LGBT youth facing harassment. Speaking openly about the bullying they suffered as teenagers, and how they both went on to lead rewarding adult lives, their video launched the It Gets Better Project YouTube channel and initiated a worldwide phenomenon. With over 6,000 videos posted and over 20 million views in the first three months alone, the world has embraced the opportunity to provide personal, honest and heartfelt support for LGBT youth everywhere. It Gets Better is a collection of expanded essays and new material from celebrities, everyday people and teens who have posted videos of encouragement, as well as new contributors who have yet to post videos to the site. While many of these teens couldn't see a positive future for themselves, we can. We can show LGBT youth the levels of happiness, potential and positivity their lives will reach if they can just get through their teen years. By sharing these stories, It Gets Better reminds teenagers in the LGBT community that they are not alone - and it WILL get better.

"Reordered Love, Reordered Lives explores a distinctly Augustinian theme that is supremely relevant for the twenty-first century. Naugle explains that if we love properly - that is, if we love beginning with God and progressing to other humans, ourselves, and the world around us - we will also live properly and, in so doing, will find our own true happiness. Packed with select quotes and references to popular music, literature, and other media - and including provocative questions for discussion - the book presents classic theological ideas in a conversational and edgy fashion. Naugle's refreshing take is sure to appeal to anyone searching for happiness - which, in the end, is all of us."--BOOK JACKET.

On the heels of his Emmy-winning It Gets Better campaign, Dan Savage delivers "powerful messages for both the head and heart" (Entertainment Weekly) From the moment he began writing his syndicated sex-advice column, Savage Love, Dan Savage has never been shy about expressing his opinion on controversial topics—political or otherwise. Now, he addresses issues ranging from parenting and the gay agenda to the Catholic Church and health care. Among them: " Why straight people should have straight "pride" parades, too " Why Obamacare, as good as it is, is "still kinda evil" " Why what passes for sex-ed in America is more like "sex dread" " Why the Bible is "only as good and decent as the person reading it" Speaking to a broad range of subjects with brutal honesty and irreverent humor, American Savage cements Dan Savage's place as a provocative and insightful voice in American culture.
