This groundbreaking book, now updated and expanded, furthers its original, effective, time-saving approach that benefits pastors

Read Online Solution Focused Counseling

overtaxed by counseling demands. Dr. Charles Kollar presents a departure in pastoral counseling, showing that counseling need not be long-term or depend on psychological manipulation to produce dramatic results. In most cases, the solution lies with the counsees themselves. Using the tested methods found in Solution-Focused Pastoral Counseling, pastors, apart from counselors, will be well equipped to help their counsees discover a solution and put it in motion speedily and productively. SFPC is short-term—typically one to five sessions, in which the counselor seeks to create solutions with—not for—the counselee. The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive. The goal is healthy change, sooner rather than later, by helping the counselee see and work on the solution with God's activity

already present in his or her life. The solution-focused approach does not require the counselor to be a highly trained psychological expert. It requires biblically based sensitivity and common sense. Yet this approach also recognizes its limitations and understands that there are situations in which other professional and/or medical help is required.

By combining step-by-step instructions with vivid case examples, the author provides the necessary tools to easily and quickly implement this powerful counseling method.

"Although I have been a hospice nurse for almost 19 years, I am not a counselor. However, I will be able to use some of the information I learned here to assist my patients and my colleagues with issues encountered during the difficult time when

patients are dying and families are struggling with realities. I will definitely share this book with our bereavement counselors and social workers." Score: 90, 4 stars --Doody's "[T]his is a book about possibilities-not finalities...about all the different ways that people deal with loss and bereavement and how solution focused brief therapy can be helpful in making sense of the experience that people go through when facing death." --Harry Korman, MD Solution focused practice challenges the conventional approach to bereavement counseling by emphasizing solution building over simple problem-solving. Joel Simon, with over 16 years of experience in the field, demonstrates how this therapy can help clients think of possibilities, rather than limitations, when facing death or the loss of a loved one. This book presents a general overview of solution focused practice, tools, and methodologies for practitioners. Simon

Solution-Focused School Counseling: The Missing Manual is what I pictured when I imagined the answer to that hypothetical question. Although helpful to other professionals such as social workers, clinical mental health counselors, and couples counselors, this book was written just for you, the school counselor. After reading Solution-Focused School Counseling: The Missing Manual, you will have a clearer understanding of the ins and outs of the SFBC approach. You'll be better able to picture how the model works across different parts of your job, with all kids, and among various issues. You will also be better equipped to navigate the common sticking points that some counselors experience. First, you will learn about the principles, guidelines, and techniques of solution-focused brief counseling. Then, you will discover practical ways you can use the SFBC model in different areas such as:

excellent resource for becoming a solution-focused school counselor.

This text highlights the indispensable role of school counselors today, namely as change agents in an increasingly complex and fluctuating school system. Informed by emerging standards of practice and current research, the book adopts the salutary perspective of solution-focused brief therapy as its foundation. It outlines practical and time-sensitive strategies for school counselors to use with students, parents, teachers, and administrators. The Solution-Focused School Counselor encourages readers to envision and proactively construct interactions with students, families, and staff that contribute not only to the formation of an exceptional school, but to the shaping of an effective professional practice. Blending current theory into practice, the authors have consulted

Read Online Solution Focused Counseling

research across a variety of disciplines and have related it in an understandable format. School counselors will find this book useful either as a professional resource to be read from cover-to-cover, or as a reference tool from which specific sections may be consulted. This book is an excellent resource for school counselors and students alike. It is also useful for school psychologists and administrators as well as anyone interested in making a difference in the school setting.
