Management, ninth Edition, our goal was to provide well-organized, comprehensive, and up-to-date coverage of the topics that take advantage of our many years of teaching and research in this area. We hope the text is challenging to students. This does not mean that it lacks readability. The text discussion is written so that a self-contained treatment of each subject is presented in a user-friendly fashion. The text is intended for use at both the advanced undergraduate and M.B.A. levels"--

and decision areas of  
international financial  
management. The central  
theme is that the  
international financial  
markets are efficient  
because of informed  
participants, but managers  
of firms must increasingly  
prepare themselves to become  
aware of international  
factors and to react to them  
on an informed basis.  
Provides materials for
